Coach Buckner,

Just a quick note to thank you for taking such a personal interest in Sarah. You may not know, but she was pretty upset when she came home the other day – so I'm grateful that you will be working with her on her geometry.

I also appreciate your willingness to allow Sarah do yard work for you to earn your tutoring. You deserve to be paid for your time, and with my divorce, I'm not sure how I would have pulled that off. Of course, a little manual labor, in the form of yard work, won't hurt Sarah either!

Thanks for all that you do for your students and the team!
