General Information (continued)

The Georgia Assessments for the Certification of Educators® (GACE®) is Georgia’s state-approved educator certification assessment program. The purpose of the GACE assessments is to help the Georgia Professional Standards Commission (GaPSC) ensure that candidates have the knowledge and skills needed to perform the job of an educator in Georgia’s public schools.

All GACE assessments are aligned with the state standards for the P through 12 curriculum and with state and national content standards. These computer-delivered assessments have been developed by the GaPSC and Educational Testing Service (ETS).

Each GACE test was developed with diverse representation of Georgia educators from across the state, including the participation of committees of Georgia educators, educator preparation faculty, and other content and assessment specialists, including individuals from school systems, local schools, institutions of higher education (public and private), and other stakeholders. In other words, each GACE assessment was developed by Georgia educators to measure competency on what is taught in Georgia’s P–12 classrooms.

The GACE assessments are criterion-referenced, objective-based assessments designed to measure a candidate’s knowledge and skills in relation to an established standard rather than in relation to the performance of other candidates. Test questions were reviewed and approved by Georgia educators and educator preparation faculty. The passing score for each test is established by the agency Commissioners and is based on the professional judgments and recommendations of Georgia educators.

See an overview of the assessments offered by the GACE program beginning on this page. For more details about the content of the assessments, refer to the GACE Study Companions in the “Prepare for an Assessment” section of the GACE website at www.gace.ets.org/prepare.

GACE Assessments

Content

The content assessments test knowledge and content skills in specific certification fields. They are required for certification in the state of Georgia. Assessments consist of either one or two tests, contain selected-response questions and, in some cases, one or more constructed-response (written, spoken, or signed) assignments. See the chart under “GACE Assessments Offered” beginning on *page 6* for details on each content assessment.

Certificate Upgrade

The assessments for certificate upgrades in Curriculum and Instruction and in Instructional Technology were developed for educators seeking to achieve the professional level of certification in these fields. Each assessment consists of one test composed of selected-response questions and three or four constructed-response assignments.

The portfolio-based GACE Teacher Leadership assessment was developed to assess the critical leadership roles that teachers play in contributing to student and school success. It consists of six tasks, which are scored according to task-specific rubrics. Each task addresses specific standards within the Georgia Teacher Leadership Program Standards. See the Teacher Leadership section of the GACE website at www.gace.ets.org/teacher_leadership for information about this assessment.

Educational Leadership

The Educational Leadership assessment is designed to assess knowledge and skills needed by educational leaders in Georgia schools. The assessment consists of one test composed of selected-response questions and four constructed-response assignments.

Georgia Ethics

The Georgia Ethics assessments are training and assessment programs composed of a series of modules that combine instruction and testing.

- The Georgia Educator Ethics assessment is designed for beginning and currently practicing teachers.
- The Georgia Ethics for Educational Leadership assessment is designed for educational leaders (principals/assistant principals, and superintendents/assistant superintendents).

The goal is to help teachers and educational leaders become familiar with, understand, and apply the Georgia Code of Ethics for Educators, as well as comprehend and embrace the principles of ethical decision making in an educational context.

These programs focus on professionalism in education — in relationships with students, schools, colleagues, and communities — as well as on ethical understanding to guide decision making, and the specific regulations and expectations that teachers and educational leaders face in Georgia.

See the Georgia Ethics Assessments section of the GACE website at www.gace.ets.org/ethics for information about these assessments.

General Information (*continued*)

Paraprofessional

The Paraprofessional assessment is a single test that consists of selected-response questions only. This assessment measures the reading, writing, and basic math competencies of practicing and prospective paraprofessionals, and the ability to effectively use those skills in the classroom. The assessment is given at test centers and at home.

See the Paraprofessional section of the GACE website at www.gace.ets.org/paraprofessional for information about this assessment.

American Sign Language Proficiency Interview (ASLPI)

The GACE program has made arrangements for candidates who plan to teach American Sign Language (ASL) as a language other than English to take the American Sign Language Proficiency Interview (ASLPI) designed, delivered, and evaluated by The ASLPI, a department of Gallaudet University.

The ASLPI is a holistic language evaluation used to determine global ASL proficiency. The basic precept in this type of evaluation is to find out through an interview what an individual can do with the target language at a given point in time.

The ASLPI is a 20–25-minute video-recorded interactive dialogue between the test taker and the interviewer. The interview is rated by a team of evaluators, and test takers are awarded an overall proficiency level on a 0–5 rating scale, which is converted to the GACE score scale of 100–300. Gallaudet University will assist candidates in scheduling the interview via videophone at one or more locations in Georgia.

General Information (continued)

GACE Assessments Offered

The following tables list the GACE assessments offered. Some assessments contain more than one test. You can take each test separately at different administrations, or you can take a combined version that includes all of the tests within the assessment at a single administration. Each test can include selected-response (SR) questions, constructed-response (CR) questions, or a combination of both. CR questions may require a written, spoken, or signed response. All assessments are computer-delivered, except for the American Sign Language Proficiency Interview (ASLPI), which is performance-based and the Teacher Leadership assessment, which is portfolio-based.

More information about the assessments, including the content specifications, test question formats, and study resources, is available in the *Study Companion* and *Test at a Glance* for each assessment. *Study Companions* and *Tests at a Glance* can be downloaded free of charge from the GACE website at www.gace.ets.org. *Study Companions* and *Tests at a Glance* are not available for the GACE Teacher Leadership assessment and the Georgia Ethics assessments.

The testing time listed is the timed part of the actual test. The test duration is the testing time plus any time allowed for tutorials and directional screens that may be included in the test.

Test Preparation

GACE Website

The “Test Preparation Resources” section at www.gace.ets.org/prepare is organized to help you quickly locate the materials you need. Links to information about the tests, studying for a test, last-minute tips, and taking the test have been added for easy reference.

Study Companions

Free study companions are available for download in the “Test Preparation Resources” section of the GACE website at www.gace.ets.org/prepare/materials. There is a study companion available for every GACE assessment, with the exception of the American Sign Language Proficiency Interview, the GACE Teacher Leadership assessment, and the Georgia Ethics assessments. Each study companion includes the content specifications for all tests in the assessment, a detailed test description, and sample questions with answers and rationales. Supplemental preparation materials and other resources are also listed in each study companion.

All study companions are enhanced with features that make them interactive when viewed on a computer, including bookmarks and links to help you navigate to the different sections of the manuals.

Tests at a Glance

Each *Test at a Glance* gives a quick overview of the assessment, including the test name, grade level, test code, length of test session, number and types of questions, subareas and the approximate percentage of the test for each one, and the test objectives.

There is a *Test at a Glance* available for every GACE assessment, with the exception of the American Sign Language Proficiency Interview, the GACE Teacher Leadership assessment, and the Georgia Ethics assessments.

Tutorials

Helpful free tutorials walk you through how to use tools that are built into the testing software and allow you to practice using the tools before test day. Two tutorials are currently available: The Alternate Character Toolbar tutorial and the Online Calculator tutorial.

Interactive Practice Tests (IPTs)

Interactive Practice Tests (IPTs) can be purchased for nearly all test titles. Each IPT is a practice test that allows you to answer **one set of test questions** to simulate what you will experience on the day of the test. It is approximately the same length as the actual test; however, the questions in the IPT are sample questions and do not appear on the test. IPTs are designed to familiarize you with the navigation of the test and the types of questions you will encounter. After you complete the practice test, you can see if you answered the selected-response questions correctly or incorrectly and get explanations for the correct answers. Some IPTs also include practice constructed-response questions. Feedback is not provided for constructed-response questions.

NOTE: There is only **one set of test questions** in each GACE IPT; retaking or repurchasing the same practice test more than once does not give you different practice questions or change the order in which the questions are delivered.

Videos

Two videos are available in the “Test Preparation Resources” section of the GACE website. The *Computer-delivered Test Center Tour* shows you what it’s like to take a test at a computer-delivered test center. The *Computer-delivered Test Demonstration* shows you what a computer-delivered test looks like and shows you how to navigate the test.

Webinars

Free webinars are offered to help you prepare for the GACE assessments. They walk you through the different parts of an assessment and present a plan to guide you as you prepare to test. Webinars also explore the resources available to you for test familiarization and preparation. At the conclusion of live webinars, you can ask questions in real time. See the “Test Preparation Resources” section of the website for more information about the webinars.

The GACE Teacher Leadership Assessment and the GACE Study Plan Development webinars have also been recorded and are available to view via the website.

Strategies and Tips

The “Strategies and Tips” section of “Test Preparation Resources” includes booklets and guides to help you prepare to take the GACE assessments. A study plan is also available in this section to help you understand what skills and knowledge are covered on the test and where to focus your attention.

Study Tips: Preparing for a GACE Assessment contains useful information about preparing for a GACE test, including what it’s like to take a GACE test, the types of questions you may encounter in the test, and study tips for preparing to take the test text.

Reducing Test Anxiety provides practical help for test takers who suffer from text anxiety.

The *Guide to Taking a GACE Computer-delivered Test* explains how to navigate through a GACE test and how to answer the different types of questions.

Alternate Format Materials

If you need preparation materials in an alternate format, please contact ETS Disability Services. See *page 15* for contact information.

Test Takers with Disabilities or Health-related Needs

ETS is committed to serving test takers with disabilities or health-related needs by providing accommodations that are reasonable and appropriate given the purpose of the test. Testing accommodations are available for test takers who meet ETS requirements. To request a testing accommodation, you must register through ETS Disability Services and have your accommodations approved before scheduling your test.

The *Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs* contains contact information, procedures for requesting testing accommodations, and forms. The Supplement should be used in conjunction with the information in this Bulletin and form(s) on the GACE website. To download the Supplement, visit <https://www.gace.ets.org/register/accommodations>. Disability documentation guidelines and forms are available on the ETS website at <http://www.ets.org/disabilities>.

IMPORTANT – You can complete many of the steps required for requesting accommodations and registering for a GACE test through your ETS account portal, available at <https://www.gace.ets.org/register/steps/>. Specifically, you can submit accommodation requests, view approved accommodations, and view test appointments through your ETS account. Additionally, if you are approved for certain accommodations (extended

time; extended breaks; screen magnification; and/or selectable foreground and background colors), you may also self-schedule your test through your ETS account. To begin the accommodation process, create or log in to your GACE account, click on “Accommodation Status/New Request” under the “Test Takers with Disabilities or Health-Related Needs” section on the home page, and follow the instructions.

To request a large-print copy of this *Bulletin* and the *Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs*, contact ETS Disability Services (see *page 15* for contact information).

Test Takers Whose Primary Language Is Not English (PLNE)

GACE assessments are only given in English. If you are a test taker whose primary language is not English (PLNE), you may request PLNE accommodations. Test takers who are approved will be allowed 50 percent extended testing time. PLNE accommodations are available at all established test centers.

This service does not apply if you are taking any of the GACE language tests, or if your first language is American Sign Language.

See PLNE Accommodations under “Registration Steps” on *page 18* and under “How to Register” beginning on *page 22*.

Contact Information

If you have questions about anything in this *Registration Bulletin*, you may contact the offices listed below for further information. In all written correspondence, please include your full name, mailing address, and phone number, and indicate the test(s) for which you are requesting information. Include your Georgia certification ID number (GA CERT ID), if available.

Registration Steps

American Sign Language Proficiency Interview (ASLPI), Georgia Ethics, Paraprofessional, and Teacher Leadership Assessments

See registration steps for the American Sign Language Proficiency Interview (ASLPI) and the Georgia Ethics, Paraprofessional, and Teacher Leadership assessments under “How to Register” beginning on *page 22*.

All Other Assessments

For all other assessments, before you can register for a GACE assessment, you must:

- Identify which test(s) you need to take for certification.
- Obtain approval to test from your program provider, if you are enrolled in or seeking admission into an approved program.
- Review this Registration Bulletin.
- Read the Rules of Test Participation beginning on *page 47*.
- Choose a test center and date to take your assessment.

When you have completed the steps above and you are ready to register, you must do the following:

- **Create a MyPSC account on the GaPSC website.** When you create a MyPSC account, you will receive a Georgia certification ID number (GA CERT ID). A GA CERT ID is used for identification throughout the certification and test registration process.
- **Create an ETS GACE testing account.** This is where you will register to test. The tests you are approved to take will be listed there. See “Your ETS GACE Testing Account” on *page 20*.

NOTE: If your MyPSC account and ETS GACE testing account have already been created, please confirm that the name on your ID documents still matches the name that appears in your accounts. If they do not, you must update your information in your MyPSC account. All updates and corrections to your information must be completed through MyPSC before registering, or at least one day prior to reporting to the test center.

Primary Language Is Not English (PLNE) Accommodations

You may request PLNE accommodations if your first language is not English. If you are approved, you will be allowed 50 percent extended testing time. To request PLNE accommodations, you must:

1. Have a qualified professional complete the ***Certification of Documentation Form***. See the Certificate of Documentation Form for examples of a qualified professional. You must provide documentation to the individual completing the form that English is not your primary language. The GACE program has the right to request further verification, if needed, of the professional’s credentials and expertise relevant to the certification of documentation form and copies of your documentation. An embossed school seal must be affixed over the signature on the certification of documentation form or the signature must be notarized.
2. Complete the ***Eligibility Form for Test Takers Whose Primary Language Is Not English***. You must complete this form each time you register for PLNE accommodations.
3. Complete the ***Registration Form for Requesting PLNE Accommodations***. You must complete this form each time you register for PLNE accommodations.
4. Mail the completed Certification of Documentation Form, the Eligibility Form, and the Registration Form to ETS at ETS-GACE, P.O. Box 6054, Princeton, NJ 08541-6054.

All materials must be submitted and received together at ETS. Incomplete requests, as well as requests received on outdated forms, will be returned to you unprocessed. **Allow approximately four weeks prior to your intended test date for the processing of your request.**

If you previously requested PLNE accommodations, you may request the same accommodations for subsequent test dates.

ETS will make every effort to evaluate all requests in a timely manner. If further verification of the professional’s credentials and expertise relevant to the documentation submitted is needed, it is possible that testing will be delayed.

You will be contacted via email with a decision. If you are approved, you will be emailed instructions for registering. See PLNE Accommodations under “How to Register” beginning on *page 24*.

Registration Information (*continued*)

The Name You Use When Creating Your Accounts

The first and last name shown in your MyPSC account must be your legal name, and must *exactly* match the first and last name on the ID documents you will present on the day of the test.

It is your responsibility to ensure that the first and last name on your admission ticket match the ID documents you will present on the day of the test. **NOTE:** Hyphens, accents, suffixes, middle initials, and spaces in your name will not appear on the admission ticket.

If your ID documents do not match the name you use when you register, you may be prohibited from testing, your test fees may be forfeited and/or your test scores may be cancelled.

- When you create your ETS GACE testing account, you will be required to enter your first and last name. Your middle initial and any suffix, if applicable, will be optional. Only your first and last name will appear on your admission ticket. Be sure that what you enter matches what is in your MyPSC account.
- You must supply your entire last (family) name. If you have a multiple-part last name, be sure to supply your complete last name (e.g., Pena-Delgado or Miller Thomas) as it appears on the ID documents you will present on the day of the test.
- Be sure to provide your entire first (given) name. Do not register under a nickname, and do not register with only an initial as your first name.
- If you register by phone, please be sure you are registered under your legal name as it appears on your ID.
- If you have already created your MyPSC account, please confirm that the name on your ID documents still matches the name that appears in your account. If it does not, you must submit an application to the GaPSC to change your name and include the appropriate supporting documentation. See the GaPSC website at www.gapsc.com for further information.

Your MyPSC Account

Creating Your Account

- Your MyPSC account is used to provide important information to ETS. You must have a MyPSC account in order to create an ETS testing account and register to take a GACE assessment. **NOTE:** You do not need to create a MyPSC account if you are taking the Paraprofessional assessment. See “Paraprofessional Assessment” on *page 23*.
- Before you create your MyPSC account, read “The Name You Use When Creating Your Accounts” on this page. To make a name change, you must submit an application to the GaPSC and include appropriate supporting documentation. See the GaPSC website at www.gapsc.com for further information.
- Go to <http://mypsc.gapsc.org> and select “Register.” Follow the prompts to create your account. Be sure to enter your full legal name **exactly** as it appears on your ID, and complete all required fields.
- If you already have a MyPSC account, log in to review and confirm your information. Be sure the name in your MyPSC account is your legal name and that it matches your ID.
- Complete or update your MyPSC account, especially your mailing address, phone number, and email address. **All future updates and corrections must be completed through MyPSC.** See “Correcting or Updating Your MyPSC Account” on this page. Always make sure your MyPSC account information is current before you register to test on the ETS GACE website.
- Be sure to request eligibility and select your reason for testing. See instructions under “Eligibility” on *page 21*.
- You will receive your Georgia certification ID number (GA CERT ID) through your MyPSC account. A GA CERT ID is used for identification throughout the certification and test registration process.
- Print your MyPSC account information so it will be handy when you register to test on the GACE website at www.gace.ets.org.

Registration Information (continued)

Correcting or Updating Your Account

It is extremely important to keep the information in your MyPSC account up-to-date because the information you enter is uploaded into the ETS GACE registration system. Occasionally, ETS and GaPSC staff may need to contact you in the event there is a last-minute change in a test administration, such as a reporting address or reporting time change. Keeping the information current in your MyPSC account — especially your phone number and email address — is your responsibility. By doing so, you enable ETS and GaPSC staff to contact you if the need arises.

You can update your mailing address, phone number, and email address by logging in to your MyPSC account at <http://mypsc.gapsc.org>.

To make a name change, you must submit an application to the GaPSC and include appropriate supporting documentation. See the GaPSC website at www.gapsc.com for further information. Name changes must be made in conjunction with your primary ID documents. The name in your MyPSC account must match the identification document(s) you will present at the test center.

After updating your MyPSC account, please confirm the changes by logging in to your ETS GACE testing account on the GACE website at www.gace.ets.org to confirm that the information retrieved from the GaPSC system is correct. Testing account updates are made periodically throughout the day so if your change doesn't appear immediately, check back in a few hours. If there are any discrepancies in the data, call ETS Customer Service at 1-855-225-7178 (United States, U.S. Virgin Islands, Puerto Rico, and Canada), 1-609-359-5161 (all other locations), Monday–Friday from 8 a.m.–5 p.m. ET, excluding holidays.

Your ETS GACE Testing Account

Creating Your Account

Online

- When you access the ETS GACE online registration system for the first time, you will be required to create a testing account.
- Your MyPSC account provides important information to ETS. Make sure you have a MyPSC account and that the information is current before you attempt to create an ETS GACE testing account.
- Go to the GACE website at www.gace.ets.org, select My GACE Account, and follow the guidelines for creating an account in the ETS GACE online registration system. **NOTE:** You must create an account in the ETS GACE online registration system. The tests you are approved for and eligible to take will be listed in this account, and this is where you will register to test. You cannot register to test through your MyPSC account.
- You will be required to provide your GA CERT ID, your first/given name, middle initial (optional), last/family name, and suffix (optional) exactly as it appears in your MyPSC account; your date of birth; and Social Security number.
- You may use a different user name and password for your ETS GACE testing account than you did on your MyPSC account; however, **all other requested information must be identical to your MyPSC account in order to match your eligibility information from the GaPSC.**

By phone

- Your ETS GACE testing account will be created for you using the information you supply over the phone. **This information must match the information in your MyPSC account.** If it does not, your registration cannot be processed.
- Once your ETS GACE testing account has been created, you will be sent an email that includes a user name and temporary password for this account so you can access your account online.
- Go to the GACE website at www.gace.ets.org and select “My GACE Testing Account.” Go to “Login” and enter your user name and temporary password. You will be prompted to change your temporary password after you log in.

Services Available Through Your Testing Account

You will be able to:

- register for any test you are eligible to take (**NOTE:** Do not register for the American Sign Language Proficiency Interview [ASLPI] or the Georgia Ethics, Paraprofessional, or Teacher Leadership assessments through your ETS GACE testing account. Registration for these assessments is not done through your ETS GACE testing account; see information about registering for these assessments under “How to Register” beginning on page 23.)

Registration Information (*continued*)

- add score recipients; see “Choosing Score Recipients” on *page 24*
- view your registration and make changes, if needed
- reschedule or cancel your registration
- print (or reprint) your admission ticket(s)
- view your scores
- change your password

You cannot update the information in your MyPSC account through your testing account in the ETS GACE online registration system. You must go to your MyPSC account at <http://mypsc.gapsc.org> to update your information. See “Correcting or Updating Your Account” on *page 20*.

Be sure to record your ETS GACE testing account user name and password and keep them in a secure place for future use.

Eligibility

If you are enrolled in or seeking admission to a Georgia state-approved educator preparation program, you must be approved to test by your program provider in order to take a GACE assessment for Georgia certification. If you have a different reason for testing, the GaPSC will provide approval to test through your MyPSC account. See “Reasons for Testing” on this page and “Your MyPSC Account” on *page 19*.

Confirming/Requesting Eligibility

Log in to your MyPSC account at www.gapsc.com and select “Assessments” at the top of the MyPSC home page. Follow the steps below to confirm or request eligibility to test:

- Select the reason why you want to take the GACE assessment. See “Reasons for Testing” on this page.
 - If you are enrolled in or have completed an approved program, you will see the list of programs and providers where you have claimed enrollment and your status for your eligibility to test for the program(s). If you do not see any programs and providers listed, it means you have not claimed your enrollment. See “Claiming Your Enrollment Record” on this page.
 - Select the assessment for which you are requesting eligibility to test from the drop-down menu.
 - Click the “ADD” button.
- Confirm your choices by typing “yes” in the space provided and then click “FINISH.” (You can click “QUIT” to cancel your selection.)
 - Your profile and eligibilities will be transmitted to ETS.
 - At the bottom of the Assessments page is a list of your active and pending eligibility requests and their status. **NOTE:** Program providers are notified via email of pending requests for eligibility.

Claiming Your Enrollment Record

Your program provider will create an enrollment record for you in the GaPSC system. Log in to your MyPSC account and select “Program” in the MyPSC menu to claim your enrollment record. If no matching record is found, check with your program provider. Once you have claimed your enrollment record, go back to the “Assessments” page, select reason **2**, and select the program for which you want to add the assessment.

Reasons for Testing

When you create or update your MyPSC account, you must indicate one of the following reasons for testing.

1. I am enrolled in or have completed a **Georgia**-approved program, which includes Alternative Leadership programs, and have obtained eligibility from my program provider to take a content assessment.
2. I am taking a content assessment to gain eligibility for employment and plan to complete a state-approved program such as GaTAPP, a certification-only program, (excluding Alternative Leadership programs), or a Master’s degree with a certification program embedded. **Note:** Alternative Leadership program candidates must select reason **2**.
3. I am enrolled, or plan to enroll, in an **out-of-state (non-Georgia)** certification program and am taking a content assessment and/or the Georgia Educator Ethics assessment to meet Georgia’s certification assessment requirements.
4. I am taking a content assessment to add a field to my valid teaching certificate or Certificate of Eligibility.
5. I am testing because the GaPSC informed me of a required educator assessment, or my reason for testing is not covered by the reasons above.
6. I am taking the Georgia Educator Ethics or the Georgia Ethics for Educational Leadership assessment for program entry (candidates enrolled in out-of-state programs need to select reason **4**).

Registration Information (*continued*)

Georgia Educator Ethics (360)

Candidates

To gain automatic eligibility, select the appropriate reason for testing in your MyPSC account.

- State-approved **traditional** educator preparation program candidates (colleges/universities) should select reason 7.
- State-approved **non-traditional** educator preparation program initial teaching candidates (GaTAPP) should select reason 7.
- **Out-of-state initial teaching candidates** doing field experiences/clinical practice in Georgia should select reason 4.
- **Out-of-state educators seeking certification in Georgia** via reciprocity with less than three (3) years of experience should select reason 4.
- Applicants seeking an initial International Exchange, Permit, or Provisional Certificate should select reason 7.
- Educators not required to hold certification due to employment in a charter or strategic waiver school district and **seeking a Clearance Certificate** should select reason 7.

Georgia Ethics for Educational Leadership (380)

Candidates

To gain eligibility, select the appropriate reason for testing in your MyPSC account.

- State-approved **traditional** educational leadership preparation program candidates (colleges/universities) should select reason 7 in their MyPSC account.
- State-approved **non-traditional** educational leadership preparation program candidates (GaTAPP) should select reason 7 in MyPSC.

Teacher Leadership

- Candidates who completed their educator preparation program **before July 1, 2014**, should select 6 as their reason for testing.
- Candidates who completed their program **on or after July 1, 2014**, should select 2 as their reason for testing.

How to Register

Before you register, please read the information in this Registration Bulletin under “Eligibility” on page 21, and “Registration Steps” and “The Name You Use When Creating Your Accounts” on page 19.

If you plan to test at home, please refer to the registration guidelines at <https://www.gace.ets.org/s/at-home/register/>.

NOTE: Do not register for the American Sign Language Proficiency Interview (ASLPI) or the Georgia Ethics, Paraprofessional, or Teacher Leadership assessments through your ETS GACE testing account. See information about how to register for these assessments on page 22.

Georgia Ethics Assessments

You will need to create two accounts in order to register.

1. A **MyPSC account** on the Georgia Professional Standards Commission (GaPSC) website must be created first. Here you will claim your enrollment (if applicable), gain eligibility, and indicate your reason for testing. See “Your MyPSC Account” on *page 19*.
2. After you have created your MyPSC account, the GaPSC sends your profile and eligibility information to ETS. You will then receive an email from gace_inquiries@ets.org with a link to the Georgia Ethics assessment system. This is where you create a **Georgia Ethics account** and register to test. Be sure that you have gained eligibility to test and selected a reason for testing before you create your account and register. If you do not, you will experience problems trying to register. Access the Georgia Ethics assessment system, select Test Takers under Registration, log in or create your account, and register and pay for the assessment. **NOTE:** Be sure the correct test code is displayed before proceeding with payment.

Georgia Educator Ethics (360) Candidates

- State-approved **traditional** educator preparation program candidates (colleges/universities) must pass the Georgia Educator Ethics assessment to hold a Pre-service certificate.
- State-approved **non-traditional** educator preparation program initial teaching candidates (GaTAPP) must pass the Georgia Educator Ethics assessment prior to program admission.
- **Out-of-state initial teaching candidates** doing field experiences/clinical practice in Georgia must pass the Georgia Educator Ethics assessment to hold a Pre-service certificate.
- **Out-of-state educators seeking certification in Georgia** via reciprocity with less than three (3) years of experience must pass the Georgia Educator Ethics assessment.
- Applicants seeking an **initial International Exchange, Permit, or Provisional Certificate** must pass the Georgia Educator Ethics assessment.
- Educators not required to hold certification due to employment in a charter or strategic waiver school district and seeking a **Clearance Certificate** must pass the Georgia Educator Ethics assessment.

Georgia Ethics for Educational Leadership (380) Candidates

- All candidates admitted (enrolled and taking classes) to any GaPSC-approved Educational Leadership program (non-tiered program or the new tiered model) on or after July 1, 2016, must pass the Georgia Ethics for Educational Leadership assessment prior to becoming enrolled.
- A candidate who completes this program entry requirement for Tier I, does not have to complete it again for Tier II.

Paraprofessional Assessment

The Paraprofessional assessment is given at participating Prometric® centers, at home via remote proctor, and at participating school districts and Regional Education Service Agencies (RESAs) in Georgia and elsewhere. You do not have to pre-register through ETS to take this assessment, you do not need a MyPSC account, an ETS GACE testing account, and you do not need approval to test.

School District and RESA Test Centers: The test is administered by appointment at the convenience of the test site and the test taker.

School districts and RESAs have their own process for registration and some may charge an additional fee over the \$38 test fee. See the ***GACE Paraprofessional website*** for information about registering for this assessment and to view a list of test sites.

Prometric Test Center and At Home Testing: Contact ***Prometric*** for information about registering for this assessment and to view a list of test sites.

Teacher Leadership Assessment

Registration for the GACE Teacher Leadership assessment is a five-step process:

1. Create or update your MyPSC account on the GaPSC website.
2. Request eligibility and approval through the Assessments tab in your MyPSC account.
3. The GaPSC sends your profile and eligibility information to ETS.
4. An ETS Customer Service Representative creates a testing account for you in the Teacher Leadership registration system and notifies you via email when it is complete. You will be emailed credentials for accessing the registration system.
5. Access your testing account in the Teacher Leadership registration system at www.gace.ets.org/myTL and register for the assessment.
6. Once you have completed your registration, you are provided with access to the Teacher Leadership submission system.

See the “Teacher Leadership” section of the GACE website at www.gace.ets.org/teacher_leadership for more information about registering for this assessment, and for information about resubmissions.

PLNE Accommodations

Once your request for PLNE accommodations has been approved, you will be emailed instructions for registering through your ETS GACE testing account (see *page 22*) or by calling Prometric®.

Test and test center changes or additions cannot be made after registration. Space and materials are limited to accommodate the number of test takers assigned to each test center and test.

Choosing Score Recipients

Through Your ETS GACE Testing Account

Scores are automatically sent to the GaPSC. You may add up to three additional score recipients as part of your test fee. For all assessments except Georgia Ethics, Paraprofessional, and Teacher Leadership, score recipients can be selected via your ETS GACE testing account. Score recipients for those assessments should be selected in the appropriate registration system. See below.

The recipients you choose should be based on the selection you made as your Reason for Testing in your MyPSC account. See “Reasons for Testing” beginning on *page 21*.

Reasons 1 and 3

- You must add the program you are enrolled in or seeking admission into as a score recipient.

Reason 2

- Your scores will automatically be sent to the GaPSC and the program provider granting approval to test. You do not need to add them as a score recipient.

Reasons 4, 5, and 6

- Your scores will automatically be sent to the GaPSC. You do not need to add them as a score recipient.

Reason 7

- You must add the program you are seeking admission into as a score recipient. Your scores will automatically be sent to the GaPSC. You do not need to add them as a score recipient.

Georgia Ethics Assessments

Ethics scores are automatically sent to the GaPSC. You can select up to three additional score recipients in your testing account in the Ethics registration system. All recipients must be designated before you complete your assessment. Once you complete and exit the assessment, you cannot add or change score recipients.

Paraprofessional Assessment

Paraprofessional candidates do not have the option of selecting score recipients. Score reports are automatically sent to you and the GaPSC.

Teacher Leadership Assessment

Score recipients can be selected when you register in your testing account in the Teacher Leadership registration system.

Test Start Times

GACE assessments are offered at various times throughout the day. Please note the following restrictions:

- A test start time can only be selected when you register.
- Some test centers may not offer start times in both the morning and afternoon.
- If you register and select a test start time and then make subsequent changes to your test and/or test center selection(s), you will be required to choose from the start times that are available at the test center at the time of the change.
- The start time you select at registration cannot be modified on the day of the test.

Test Centers

The most current information regarding test centers is available on the GACE website at www.gace.ets.org. Test centers in Georgia are listed by the general area in which they are located and may not be within the actual city limits. There are also a limited number of test centers outside Georgia and in other countries outside the United States. Test centers are selected based on availability and appropriateness of the facilities for the specific test administration. **NOTE:** Not all test centers offer every GACE test; there is no guarantee that the test you wish to take is being administered at a particular test center, or that seats will be available at that test center on the date you wish to test. Seat availability will be shown when you access the online registration system to register for the assessment.

The name and address of your test center assignment will be listed on your admission ticket. To find the exact address or contact information for your test center, see the “Test Center List” on the GACE website. This tool allows you to search for a test center by name or proximity to a manually entered ZIP code, and will provide the test center’s address and distance from the search location.

Registration Deadlines

All seating is on a space-available basis, so it is important to register early to secure registration for your preferred test date and test center.

Registration for all tests, except the ASLPI and the Georgia Ethics, Paraprofessional, and Teacher Leadership assessments must be completed **at least two full days before the test date** (not including the day of registration and the day of the test).

ASLPI

Registration for this test should be completed at least 4 weeks prior to the date you would like to test.

Georgia Ethics and Paraprofessional Assessments

There is no set registration period or deadline for the Georgia Ethics or Paraprofessional assessments. Both Georgia Ethics assessments can be taken at any time; Paraprofessional is administered by appointment at the convenience of the test site and the test taker.

Teacher Leadership Assessment

Registration for the Teacher Leadership assessment must be completed by the following dates:

Fall 2024

Submission Window	Registration Deadline
9/2/24 – 11/5/24	10/22/24

Resubmission Window 1	Registration Deadline

Defense Activity for Non-Traditional Education Support (DANTES)

If you are a member of the U.S. military currently serving outside of the state of Georgia and would like to register for a GACE assessment, contact the Testing Control Officer (TCO) on your military base to coordinate your registration. ETS will work with the TCO to ensure all information needed by an eligible military candidate is provided to you so you may register to take the GACE assessment(s).

If you have any questions about this process, please contact ETS Customer Service at 1-855-225-7178.

Fees for Additional Services

Service	Fee
Test center, date, or time change	\$25
Canceled test registration	50% of the test fee

Cancellations must be processed at least three calendar days before the test date or your fees will be forfeited.

See “Change Requests” on this page and “Canceling a Test Registration” on the next for more information about rescheduling, canceling your test registration, and refunds.

Forms of Payment

- Credit/debit card (American Express[®], Discover[®], JCB[®], MasterCard[®], RuPay Global, UnionPay[®], or VISA[®]).
- PayPal[®]

If you do not have access to an electronic form of payment, please contact ETS Customer Service at 1-855-225-7178 (United States, Puerto Rico, U.S. Virgin Islands, and Canada), 1-609-359-5161 (all other locations), Monday–Friday from 8 a.m.–5 p.m. ET, excluding holidays.

Payment Policy

- Cash payments cannot be accepted.
- All payments must be for the full amount.
- Fees are subject to change without notice. Amounts listed are in U.S. dollars and are exclusive of any value-added or similar taxes.
- All outstanding balances incurred from prior ETS tests and/or services must be paid in full in order to register for any future ETS test or service.
- Services may be withheld for nonpayment of fees.
- When registering, on-line candidates may be given the option to pay in the local currency supported by their card issuer or in USD.
- During the payment process you may be asked by your card issuing bank to verify cardholder identity by entering an authentication code. Failure to enter the required information or entry of invalid information will result in the sale being rejected. If you don’t know your 3D-Secure passcode or password, and you are not being given the option to enroll online in the bank’s pop up screen, then you will need to contact your bank.
- Educational Testing Service reserves the right to add or remove payment methods at its own discretion and without notice.

Change Requests

Through Your ETS GACE Testing Account

You can make changes through your ETS GACE testing account for all assessments except the ASLPI and the Georgia Ethics, Paraprofessional, and Teacher Leadership assessments. See instructions for these assessments below.

- Changes in registration will only be processed if seats are available at the requested test center, on the requested date, and at the requested time.
- If you are approved to test with accommodations, you cannot reschedule online. Contact ETS Disability Services. See *page 15* for contact information.
- Changes must be made **at least three calendar days before the test date** (not including the day of the test).
- A **\$25 processing fee** is charged for making changes. See this page for payment policies.

NOTE: You cannot change the test you have selected once you have registered. To do so, you must cancel your registration and reregister for the test you want to take. See “Canceling a Test Registration” on the next page.

ASLPI

Changes for this test can only be made by phone through Gallaudet University. Contact information is included in your confirmation letter.

Georgia Ethics Assessments

You can take these assessments at any time. However, once you access the online assessment, you cannot exit and change your registration.

Paraprofessional Assessment

To change your testing date, contact Prometric[®] or see the GACE Paraprofessional website at https://www.gace.ets.org/paraprofessional/test_takers/register/.

Teacher Leadership Assessment

You may change your submission deadline date through your testing account in the Teacher Leadership registration system. There is a \$50 fee for changing your initial submission deadline date. **NOTE:** If you want to reschedule to the next program testing year, you will be required to cancel your registration and reregister. See “Canceling a Test Registration” on the next page.

Registration Information (continued)

Canceling a Test Registration

For all tests except the ASLPI, Paraprofessional, the Georgia Ethics and Teacher Leadership assessments, you may cancel

a test registration through your ETS GACE testing account on the GACE website at www.gace.ets.org or by calling ETS Customer Service at 1-855-225-7178 (United States, Puerto Rico, U.S. Virgin Islands, and Canada), 1-609-359-5161 (all other locations).

Online or by Phone

- Cancellations must be processed **at least three calendar days before the test date** or your fees will be forfeited.

Refund Policy

- Cancellations processed **at least three calendar days before the test date** are eligible for a partial refund. You will be refunded the registration fee, the test center fee, and 50% of the remaining test fee paid. For example, if you cancel a single content test (\$123), you will be refunded a total of \$88:
 - \$25 (registration fee)
 - \$28 (test center fee)
 - \$35 (test fee)
- Cash refunds are not available.
- The international test site fee is not refundable.
- Refunds are processed in the same currency and credited back to the original payment method. If you paid with eCheck, please allow nine to ten days for processing.
- A refund is not given if you are absent or arrive too late to be admitted to the test for which you are registered, or you do not cancel your registration at least three calendar days before your test.

ASLPI

Test cancellations for this test can only be made by phone through Gallaudet University. Contact information is included in your confirmation letter.

Georgia Ethics Assessments

Once you access the online assessment, you cannot exit/log out and cancel your registration.

Paraprofessional Assessment

Contact **Prometric**® or see the GACE Paraprofessional website at https://www.gace.ets.org/paraprofessional/test_takers/register/. Some test sites do have a cancellation fee.

Teacher Leadership Assessment

Cancellations for submissions and resubmissions may be processed either online or by phone. The deadline for cancellation is the registration deadline date for the submission (or resubmission) deadline you have chosen.

Cancellations processed by the registration deadline for the submission (or resubmission) deadline are eligible for a refund. Cancellations processed after that time are not eligible for a refund. If you do not cancel and do not submit your task(s), there is no refund.

Initial Registration Refunds

Date Refund Processed	Refund Amount
By the registration deadline date	\$230 (full fee, minus a refund fee of \$120)
After the registration deadline date	No refund
No notice of cancellation	No refund
No submission of tasks	No refund

Resubmission Registration Refunds

Date Refund Processed	Refund Amount
By the registration deadline date	\$60 per task (full fee, minus a refund fee of \$15 per task)*
After the registration deadline date	No refund

*Example: If you registered to resubmit three tasks and paid three \$75 resubmission fees, totaling \$225, and then you canceled the resubmission registration within the appropriate timeframe, you would be refunded the full resubmission fee you paid, minus a fee of \$45.

Test Retake Policy

You cannot retake a GACE test other than the Paraprofessional assessment within 30 days of your test date. Be aware that the registration system will only allow you to register for a test date that is at least 30 days after the previous test date. The GaPSC's policy requires that a test taker wait 28 days to repeat the GACE Paraprofessional assessment.

ETS and the GaPSC reserve the right to cancel scores if the test retake policy is violated for any reason.

On Test Day

Before You Go to the Test Center

Before you arrive at the test center, there are a number of important things you should do:

- **Verify your test location and reporting time** — Test locations and reporting times occasionally change. Although every effort will be made to contact you if there is a change, you should access your ETS GACE testing account and view your admission ticket 24 hours before your test. If there is a change (e.g., a different building than originally scheduled), it will be updated in your testing account. On rare occasions, test centers may be closed or have a delayed opening due to inclement weather conditions. If you are scheduled to take a GACE test and are unsure if your test center is open, check the ETS GACE website Home page at www.gace.ets.org for information about test center delays and closures.
- **Print your admission ticket** — Log into your ETS GACE account and print a copy of your admission ticket. Your admission ticket is important because it contains the test center address and reporting time on test day. While you are not *required* to present your admission ticket at the test center, the test center administrator may ask you for it. You will be permitted to test without your admission ticket.
- **Assemble your identification (ID) documents** — See “Identification (ID) Requirements” on *pages 39–42* to be sure your documents will be accepted. You will not be admitted to the test without the correct documents. Be sure that the first and last name on your admission ticket match your ID documents. All updates to your information must be completed through your MyPSC account on the GACE website prior to printing your admission ticket and reporting to the test center. To change your name, you must submit an application to the GaPSC and include appropriate supporting documentation. See the GaPSC website at www.gapsc.com for further information. If your name has changed recently, see “Recent Name Change” on *page 41*.
- Review the list of what to bring to your test center and the general and testing room guidelines.
- An online calculator is available as part of the testing software for tests that require the use of a graphing or scientific calculator. If the test you are taking requires the use of a graphing or scientific calculator, you should **take advantage of the tutorial** that is available through the GACE website. The tutorial will allow you to practice using the online calculator before the day of the test. Once you request access to the tutorial, you will be sent an activation key that is good for 30 days. Be sure to give yourself enough time to make good use of this tutorial before you test.
- The Chemistry, Mathematics, Middle Grades Science, Physics, Science, and Special Education Mathematics and Science tests have reference materials built into the testing software. Do not bring reference documents with you to the test center. See “GACE Assessments Offered” on *pages 6–12* to see what reference materials are included in these tests.
- If you are taking the French, German, or Spanish assessment you are encouraged to practice using the alternate character toolbar prior to taking the assessment. These assessments require you to enter written responses on the computer. The tutorial, available on the GACE website, allows you to practice inputting accents and characters specific to the language being tested.
- Dress comfortably and come prepared for varying room temperatures. If you need to remove an item of clothing during the test (e.g., sweater), you will be instructed to place it in the storage area provided by the test center at check-in. If no storage area is available, the item of clothing can be hung on the back of your chair. If you leave the testing room to go to the storage area, this will be treated as an unscheduled break; i.e., you may be asked to sign out/in of the testing room, show ID, etc. **NOTE:** The exam clock will not stop during this time.
- Test-related information written on clothing, footwear, ID documents, or on any parts of the body is prohibited.

Confidentiality of Information *(continued)*

- If you are taking the American Sign Language Proficiency Interview (ASLPI), appropriate dress is required for your evaluation. Wear plain solid-color clothing that contrasts with your skin tone (i.e., darker background with lighter skin tones and lighter background with darker skin tones). Do not wear any upper body garments that are red or that contain print or plaid designs. Remove sun glasses from your head, and do not chew gum. Refrain from wearing any visual distractions such as dangling earrings, bracelets, or rings on every finger. These can interfere with clear signing.

Admission Tickets

You will need to print an admission ticket for each test for which you are registered (see exceptions for the ASLPI and the Georgia Ethics, Paraprofessional, and Teacher Leadership assessments below). Your admission ticket will contain information about your reporting time and reporting address. If any of the information on your admission ticket is not accurate or if you have any questions about your test center assignment, call ETS Customer Service at 1-855-225-7178 (United States, U.S. Virgin Islands, Puerto Rico, and Canada), 1-609-359-5161 (all other locations), Monday–Friday from 8 a.m.–5 p.m. ET, excluding holidays. While you are not *required* to present your admission ticket at the test center on the day of the test; the test administrator may ask you for it. You will be permitted to test without your admission ticket.

Printing Admission Tickets

You can print your admission ticket by accessing your ETS GACE testing account on the GACE website at www.gace.ets.org.

Although every effort will be made to contact you if there is a change in either your testing location or reporting time, you should return to your testing account and view your admission ticket 24 hours before your test. If there has been a change (e.g., a different building than originally scheduled), you should print a new admission ticket.

If you have questions or need help printing an admission ticket, call ETS Customer Service at 1-855-225-7178 (United States, U.S. Virgin Islands, Puerto Rico, and Canada), 1-609-359-5161 (all other locations), Monday–Friday from 8 a.m.–5 p.m. ET, excluding holidays.

ASLPI

If you are taking the American Sign Language Proficiency Interview (ASLPI), do not print an admission ticket. Test interviews are scheduled appointments. After you receive your confirmation letter, Gallaudet University will contact you to schedule your interview.

Georgia Ethics Assessments

The Georgia Ethics assessments are online assessments; you do not need an admission ticket.

Paraprofessional Assessment

You do not need an admission ticket for the Paraprofessional assessment. You will confirm your test location and reporting time directly with the test administration site.

Teacher Leadership Assessment

The Teacher Leadership assessment is taken through a secure, online submission system. You do not need an admission ticket for this assessment.

Arrival Time

- GACE assessments are administered at various times throughout the day.
- You must arrive at the designated test center **at least 30 minutes before the reporting time** listed on your admission ticket.
- **If you arrive after the reporting time, you will not be admitted, and your test fees will be forfeited.** It is your responsibility to allow plenty of time to arrive by the designated time, regardless of whether there is traffic congestion, road construction, bad weather, car accidents, poor directions, or any other incident that may delay arrival.
- On occasion, weather conditions or other circumstances beyond the test administrator or ETS's control may require a delayed start or the rescheduling of your test.

Confidentiality of Information *(continued)*

What to Bring to the Test Center

- An **admission ticket** for the test you are taking. While you are not *required* to present it at the test center, you may be asked for it. You will be permitted to test without your admission ticket. See “Admission Tickets” on *page 38*.
- **Valid and acceptable identification document(s) with a name, signature, and photograph.** Your ID will be checked before you are admitted. See “The Name You Use When Creating Your Accounts” on *page 19* and “Identification (ID) Requirements” beginning on this page.
- Personal items other than your ID document(s) (backpacks, phones, purses, etc.) are not allowed in the testing room and cannot be accessed during a break. Before the test, you will receive instructions from the test administrator regarding where to store personal items. Items brought to the test center may be inspected and/or confiscated. See “Personal Items” on *page 45*.
- You do not need to bring pens, pencils, scratch paper, or calculators to the test center. Pencils and scratch paper will be provided to you at the test administration. For tests that require a calculator, an online calculator will be available as part of the testing software. A tutorial to help you practice using the online calculator is available in the “Test Preparation Resources” section of the GACE website.
- The Chemistry, Mathematics, Middle Grades Science, Physics, Science, and Special Education Mathematics and Science tests have reference materials built into the testing software. Do not bring reference documents with you to the test center. See “GACE Assessments Offered” on *pages 6-12* to see what reference materials are included in these tests.

- Noise-canceling headphones are available at all Prometric® test centers, and ear plugs may be available at other test centers. If you require noise-canceling headphones or earplugs during your test administration, your Test Center Administrator will provide them for you.

Identification (ID) Requirements

All test takers are responsible for bringing valid and acceptable identification each time they report to a test center. It is your responsibility to bring the correct documents and ensure that they are up-to-date on the day of the test.

- As outlined in “The Name You Use When Creating Your Accounts” on *page 19*, you are responsible for ensuring that the first and last name you use when you create your MyPSC account **exactly** match the name on the ID document(s) you will present at the test center. The first and last name in this account will be on the admission ticket (hyphens, accents, suffixes, middle initials, and spaces in your name will not appear on the admission ticket). All updates to your information must be completed through your MyPSC account prior to registering or reporting to the test center.
- If the test administrator questions the ID you present, you may be required to provide supplemental ID. If positive confirmation cannot be made, you may not be permitted to test or your test score may be withheld.
- All test takers are encouraged to bring at least two forms of acceptable ID each time they report to a test center. Prior admission to a test center based on a given ID document does not ensure that that document will be considered acceptable. Test centers are not required to hold your seat if you leave the center to obtain acceptable identification.
- Admission to the test center does not ensure that the ID you provided is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity. ETS reserves the right to withhold and/or cancel scores in the event that the ID requirements set forth herein are not met.
- You may be required to show your ID and/or to sign a test center log at various points throughout the test administration.
- Your test fees will not be refunded if you are not permitted to test or if your scores are withheld or canceled because of invalid or unacceptable ID.

Confidentiality of Information *(continued)*

ID Document Requirements

With few exceptions, ID documents must meet *all* of the following requirements. Each ID document must:

- be an **original** document; photocopied documents are not acceptable, and documents cannot be presented on a cell phone or any other electronic device
- be a **government-issued** national/state/province identity card that is recognized by the country in which the test taker is a citizen or permanent resident
- be **valid** and **cannot be expired**. As of January 1, 2023, ETS no longer accepts expired drivers' licenses.
- bear the test taker's **legal name**; the first and last name must match what appears on the admission ticket (hyphens, accents, suffixes, middle initials, and spaces in your name will not appear on the admission ticket)
- bear a recent **photograph** that clearly matches the test taker
- bear the test taker's **signature** (the name and signature on the ID documents must match)

See "Unacceptable ID Documents" later in this section.

See Exceptions and Requirements on the following page if:

- you have a multiple-part last name (e.g., Pena-Delgado or Miller Thomas)
- you only have a first name and no last name, or vice versa
- your name has recently changed
- you are in the process of updating your driver's license
- you are testing outside your country of citizenship
- you are not a U.S. citizen and you are testing within the United States.
- you are in the U.S. military
- you are unable to meet ID requirements
- you have *any* questions about the acceptability of your ID document(s)

Primary ID Documents

The following government-issued ID documents are acceptable for admission to a test center within your country of citizenship:

- Passport
- Passport card (United States only; must be accompanied by a supplemental ID)
- Driver's license (including provisional driver's license as outlined under "Driver's License Renewals")
- State or Province ID card (including those issued by motor vehicle agencies)
- National ID card
- Military ID card

Supplemental ID Documents

- You may be required to provide a supplemental ID if the test administrator questions your primary ID document and/or if your primary ID document is otherwise valid and acceptable but does not bear your full name, photograph, and signature. If you cannot provide a supplemental ID that contains your signature, you may present two government-issued ID's with photographs as long as they are in the same name you used when you registered.
- Supplemental ID documents may *not* be used to resolve last name discrepancies. The last name on your primary ID *must* match the name on your admission ticket (hyphens, accents, suffixes, middle initials, and spaces in your name will not appear on the admission ticket).

The following ID documents are generally acceptable as supplemental ID:

- **Government-issued ID card** (including, but not limited to, those listed under Primary ID Documents earlier in this section)
- Student ID card
- **Confirmation of identity letter from your educational institution.** This letter must be typed or printed on the original letterhead of the educational institution you attend(ed) and, in addition to meeting all of the ID document requirements listed earlier in this section, must include your date of birth and the date issued. Additionally, a school official's signature and the school seal must be present and both must overlap your photograph. Such letters are valid for only one year from the date issued.

Confidentiality of Information (continued)

Unacceptable ID Documents

The following documents are *not* acceptable as primary or supplemental ID under any circumstances:

- Any document that is photocopied or expired
- Any document presented at the test center on a cell phone or any other electronic device
- Any document that does not bear your first and last name *exactly* as they appear on the admission ticket (hyphens, accents, suffixes, middle initials, and spaces in your name will not appear on the admission ticket)
- International driver's license
- Draft classification card
- International student ID
- Credit/debit card of any kind
- Notary-prepared letter or document
- Birth certificate
- Social Security card
- Employee ID card
- Temporary ID (excluding driver's license, Resident Card, Employment Authorization Card renewals exception)
- Diplomatic, consulate, or embassy ID card (e.g., Mexican Matricula Consular card)
- Voter registration card
- Any document that is not recognized by a governmental agency

Exceptions and Requirements:

Multiple-Part Last Name

- If the ID document you will present on the day of the test contains a multiple-part last name (e.g., Pena-Delgado or Miller Thomas), the name on your admission ticket must **exactly** match (excluding hyphens, accents, suffixes, and spaces) your ID. See "The Name You Use When Creating Your Accounts" on *page 19*. You cannot use a supplemental ID to resolve last name discrepancies.
- If the attendance roster or admission ticket lists a two-part last name and your ID document does not, you will not be admitted. Your name must exactly match the ID.

Single First or Last Name

- If you only have a first name and no last name, or vice versa, put that name in both the First Name and Last Name fields when you create your MyPSC account. As long as the first and last name in your account are exactly the same and match the single name on your identification document, you will be admitted to test.

Recent Name Change

- If your admission ticket bears your maiden name and your ID bears your married name or vice versa because you were married or divorced between the time you registered and the test date, you may be permitted to test if you bring an original marriage certificate or divorce decree that was issued between the date you registered and the test date.
- If your name has changed for any other reason, contact the ETS Office of Testing Integrity (OTI) before you register to test to have your ID documents approved. See "Unable to Meet ID Requirements" on *page 42*.
- To make a name change, you must submit an application to the GaPSC and include appropriate supporting documentation. See the GaPSC website at www.gapsc.com for further information.

Driver's License Renewals

- If your driver's license has expired beyond 90 days, but you present it along with your original Department of Public Safety renewal certificate, these two documents together are acceptable if the names on both documents match exactly. If a provisional driver's license is issued in lieu of a renewal certificate, this will be accepted as a primary document if it contains your photo, signature, and an expiration date. ETS is accepting expired provisional driver's licenses that are within 90 days of the expiration date.

Testing Outside Your Country of Citizenship/ U.S. Non-Citizen Testing Within the United States

- You must present a valid **passport** with your name, photograph, and signature as your **primary ID document**.
- The first and last name on the identification documents you present at the test center must match the first and last name in your MyPSC account. The first and last name in this account will be on the admission ticket (hyphens, accents, suffixes, middle initials, and spaces in your name will not appear on the admission ticket). All updates to your information

Confidentiality of Information *(continued)*

must be completed through your MyPSC account on the GaPSC website prior to registering or reporting to the test center.

- If you only have a first name and no last name, or vice versa, put that name in both the First Name and Last Name fields when you create your MyPSC account. As long as the first and last name in your account are exactly the same and match the single name on your identification document, you will be admitted to test.
- If you are not a U.S. Citizen and you are testing within the United States, you must present a passport that meets all of the ID document requirements listed earlier in this section.
- If your passport is not written in English-language letters, you must also present at least one of the documents listed under Supplemental ID Documents earlier in this section. This document must also contain your name, a recent, recognizable photo, and be in English. If you do not have a supplemental ID and the test center administrator cannot read the language in which it is written, you may not be permitted to test.
- Diplomatic and embassy ID cards cannot be used as primary identification in place of a passport.
- The following documents can be used in place of a passport if presented along with at least one of the documents listed under Primary or Supplemental ID Documents earlier in this section. If you are in the process of renewing the document and have only the expired document in your possession, you may present the expired document together with the government-issued extension letter.
 - Permanent Resident Card/Resident Alien Card
 - Temporary Resident Card
 - Employment Authorization Card
 - Mexican Border Crosser Card (This form of ID may be accepted only at test centers within 25 miles of the Mexican border.)

U.S. Military

- If your military ID does not contain your signature, you must present a supplemental ID.
- If you are in the U.S. military, and the expiration of your driver's license has been extended or deferred by the issuing state, the license can be used as a supplemental ID along with your U.S. military ID even if the license is up to 90 days past the expiration date. Depending on the state, the extension or deferral may consist of either a sticker affixed to the

license with the designation "military" printed in place of an expiration date, or a separate document carried with the license, usually with a notation that the driver's license is valid until a specific time period after discharge from service.

Unable to Meet ID Requirements

If you have been granted political asylum, have refugee status, or are otherwise unable to meet the identification requirements, you **must** contact the ETS Office of Testing Integrity (OTI) at least **7 days before** registering to test. You must receive approval from OTI before you may register. You should also be prepared to submit any requested documents to OTI for review prior to receiving approval. If you do not contact OTI before you register, and as a result you are not permitted to test or your test scores are withheld, your test fees will not be refunded.

Taking Computer-delivered Tests and Recording Answers

- Read the directions carefully. You are responsible for reading and understanding the directions before beginning the test. No oral instructions will be provided. The time you take to read the directions is not considered part of the testing time; however, it is recommended that you take no more than about fifteen minutes doing this.
- Click "Help" to review the "General Directions," "Testing Tools," "How to Answer," and "How to Scroll." There are screens built into each test with instructions on how to answer specific types of questions. Some tests include Definitions and Formulas and/or a Periodic Table of the Elements. These can also be accessed by selecting "Help." The

Confidentiality of Information (continued)

test clock will not stop when the “Help” function is being used.

- To answer a question, click on a response. To move on to the next question, click on “Next.” To return to a previous question, click on “Back.” If you are uncertain about a question and want to mark it to review or return to later in the test, click on “Mark,” which will place a check mark next to the question on the Review screen. The Review screen lists all of the questions in the test and their status. This can be accessed by clicking “Review.” Only questions that have been previously seen may be reviewed.
NOTE: Some tests include sections in which you are presented with recorded prompts, or your verbal response is captured. In these sections, you will not be given the option to press “Back” or “Next.” Instead, the computer automatically goes to the next question when time is up. The “Review” function is also not available for these sections.
- In most tests, there is a question at the end of each section that asks if you are finished with the section. At this point, you can either go back and review your answers or continue to the next section. If you choose to continue instead of reviewing your answers, you will advance to the next section. If your test only has one section or you are in the last section of your test, it will end your test, and you will not be able to go back and review any further.
- Your test may include questions that will not count toward your score. Some questions are placed on the test to collect information about how they will perform under actual testing conditions. There may also be some exit evaluation questions. These questions are not scored and relate to your overall testing experience; your responses to these questions provide ETS with valuable information for future program enhancements.
- You may also be presented with the option of participating in a voluntary 30-minute research section. Responses may be used for research purposes, training purposes, and test information publications. To protect confidentiality, no personally identifiable information about you will be disclosed. If you do not wish to participate, simply exit; whether you participate or not will have no effect on your scores.
- At the end of your test, you are given the option of reporting or canceling your scores. See “Cancellation of Test Scores by You” on page 54.
- At the conclusion of your test, you will be able to view unofficial scores if your test consists only of selected-response questions, and you choose to

report your scores. See “Unofficial Scores” on page 52.

Test Center Procedures and Regulations

General Guidelines

By submitting your registration for a GACE assessment, you are agreeing to abide by all procedures and policies contained in this *Registration Bulletin* (including the Rules of Test Participation on pages 47–49), on the GACE website, and/or communicated to you at the test administration for which you have registered.

- The test duration listed on your admission ticket includes time for tutorials and directional screens that may be included in your test. Actual testing time may be less.
- Dress so you can adapt to any room temperature
- Test-related information written on clothing, footwear, ID documents, or on any parts of the body is prohibited.
- Report to the test center at least 30 minutes prior to your scheduled time. If you arrive late, you may not be admitted and your test fee will be forfeited.
- Weapons and firearms are not allowed in the test center. Smoking, including electronic cigarettes, is prohibited.
- If you have health-related needs that require you to bring equipment, beverages, or snacks into the testing room or to take extra or extended breaks, you need to follow the accommodations request procedures in the *Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs*. See page 14 for information about how to get the *Supplement*.
- Test takers on the testing premises are subject to video surveillance, photographing, signature comparison, and other forms of ID comparison. ETS respects individuals’ privacy and has implemented procedures to ensure that the check-in process is completed in a respectful manner. ETS reserves the right to ensure the security of test content by using electronic scanning devices (e.g., hand-held metal detectors/wands) and may also employ additional security measures such as visual inspections for unauthorized testing aids or other wearable technology. Test takers should be prepared to undergo these security measures to ensure a fair testing environment. Failure to comply may result in dismissal from the test and forfeiture of your test fees.

Confidentiality of Information *(continued)*

- **You are required to remain in the test center building, including during breaks.** It is your responsibility to ask the test administrator for permission to leave the test center vicinity — for example, to go to the nearest restroom. If you leave the test center without permission, you may be dismissed, your test fees may be forfeited, and your scores may be canceled.
- Friends or relatives who accompany you to the test center are not permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not permitted in the testing room while testing is in progress.
- If you fail to follow the instructions of the test center administrator, you will not be permitted to test and your test fee will not be refunded. Any violation of these procedures during the test or during breaks may result in dismissal from the test center and/or cancellation of your test scores.
- Discussion or sharing of test content or answers during the test administration, during breaks, and after the test is prohibited.
- On occasion, weather conditions or other circumstances beyond the test administrator or ETS’s control may require a delayed start or the rescheduling of your test.

Testing Room Guidelines

- Personal items other than ID document(s) (backpacks, phones, purses, etc.) are not allowed in the testing room. You may not access your personal items during the test administration except for food, beverages, and medication, which may be accessed during a break. You are not permitted to access or use your phone at any time for any reason. See “Personal Items” on *page 45*.
- Food and beverages are not allowed in the testing room except when approved as a testing accommodation.
- You will be required to read and sign a Confidentiality and Regulations Agreement at the test center. If you do not sign the agreement, you cannot test and your fees will not be refunded.
- You may be required to sign a test center log before and after the test administration and any time you leave or enter the testing room.
- The test administrator will assign you to a seat.
- If you need to leave your seat at any time, raise your hand; timing of the test will not stop.
- You must have the test administrator’s permission to leave the room during the test. Any time lost cannot be made up.
- In tests containing timed listening sections, once recorded material has begun, it cannot be stopped. Breaks should not be taken during these times.
- If at any time during the test you have a problem with your computer or need the test administrator for any reason, raise your hand.
- If a technical issue prevents you from completing your test, immediately notify your test administrator and contact ETS Customer Service at the conclusion of your test to reschedule.
- The test administrator will provide you with pencils and scratch paper that may be replenished after you have used all pages of the scratch paper initially given to you. You may not take your own scratch paper to the test, remove scratch paper or a piece of scratch paper for any purpose from the testing room at any time, nor may you write on anything other than the scratch paper provided (i.e., computer, workstation, or ID document). The scratch paper is provided to assist test takers in working out problems and for appropriate note taking during the timed sections of the test. Scratch paper should NOT be used before the test, during untimed sections of the test or during breaks. At the conclusion of the test, you will be required to return all scratch paper, in its entirety, to the test administrator. If you are observed using any documents or unauthorized papers other than the designated scratch paper distributed by the test administrator, they will be confiscated.
- The testing session will be actively monitored by test center administrators. This includes test administrators walking around and entering and leaving the testing room.
- The maximum time allotted for untimed sections prior to the test is 30 minutes. The purpose of the untimed sections prior to the test is for you to become familiar with important information that will make your computer-delivered testing experience as convenient as possible. The time you spend on the untimed sections should not be for any other purpose. Infractions will be reported to ETS and the test administrator is authorized to dismiss you from the test administration if you fail to follow directions.
- You may not use any aids in connection with the test, including, without limitation, pens, mechanical pencils, pagers, beepers, watches, calculators (except

Confidentiality of Information *(continued)*

where approved as a testing accommodation), books, pamphlets, notes, unauthorized scratch paper, rulers, highlighter pens, stereos or radios with headphones, dictionaries, translators, compasses, protractors, and any electronic, listening, recording, scanning, photographic, or wearable technology devices.

- Your test may include exit evaluation questions. These questions are not scored and relate to your overall testing experience; your responses to these questions provide ETS with valuable information for future program enhancements.

NOTE: ETS and the GaPSC reserve the right to take appropriate action and/or notify appropriate authorities including, but not limited to, law enforcement authorities, if a test taker responds in a threatening or disturbing way to essay or speaking questions or communicates with ETS or other individuals either verbally or in writing in a threatening or disturbing manner.

ID Verification

ID verification at the test center may include:

- Photo identification
- Fingerprinting/thumbprinting
- Video surveillance
- Signature comparison

These verification methods are in addition to the requirement that you present acceptable and valid identification documents. If you refuse to participate, you may not be permitted to test and you will forfeit your test fees.

Personal Items

- Personal items other than ID documents are not allowed in the testing room and cannot be accessed during a break. This includes backpacks, phones, purses, tablets, watches, and any other electronic, recording, listening, scanning, photographic, or wearable technology devices. If you take any personal items into the testing room, or if you are seen using or accessing any electronic device, including but not limited to text messaging, email, or photographs, your device will be inspected and may be confiscated, and you will be dismissed from the test.
- Food and beverages are allowed in the testing room only when approved as a testing accommodation.
- You are not permitted to access your personal items or use your phone at any time for any reason, including during breaks.

- To ensure unauthorized aids are not brought into the testing room, additional visual inspections of clothing, footwear, and ID documents may also be conducted. You may be required to remove your eyeglasses for close visual inspection. The inspection takes a few seconds and will be done at check-in and upon return from breaks. Unless an inspection is required for use or possession of an unauthorized aid during the test administration, removal of footwear is prohibited in the testing room. You may be asked to empty your pockets, raise your pant legs above your ankles, pull up your sleeves above your wrists for visual inspection, and you may be scanned with a hand-held metal detector wand. Such inspections are routine prior to each entry into the testing room. You may request that the inspections be performed by a test administrator of the same gender and/or in an area sheltered from the view of other people. Test administrators will make every effort to accommodate such requests, but ETS cannot guarantee that all test centers will have the necessary staff and space available.
- Jewelry is prohibited, except for wedding and engagement rings and small earrings. Do not wear other jewelry to the test center.
- Clothing and personal items that include, but are not limited to, hair accessories, neckties, bow-ties, hats, scarves, jackets and outerwear are subject to inspection by the test center administrator. Items such as tie clips, cuff links, ornate clips, combs, barrettes and headbands and other hair accessories will be closely inspected. Test takers wearing large hair clips or other objects in the hair such as buttons or other objects will be asked to remove and store them before entering the testing room. It is best not to wear such items as you may be prohibited from wearing them in the testing room.
- Note that not all test centers have secure storage for personal belongings. Test centers and ETS assume no responsibility for personal items, including watches, jewelry, or devices that you choose to bring into the test center.

Dismissal from a Test Center

A test administrator is authorized to immediately terminate your test, dismiss you from a test session, and/or your scores may be withheld and ultimately canceled, and your test fees forfeited, for any actions that violate the policies and procedures set forth herein and/or communicated at the test center including, but not limited to, the following:

Confidentiality of Information (continued)

- Attempting to take the test for someone else or having someone else take the test for you.
- Failing to provide acceptable identification as described herein, including refusal to allow a photograph to be taken.
- Obtaining improper access to test content, a part of the test, or information about the test (this includes having test questions or answers in advance of the test administration and bringing preknowledge of test information into the test center in any form including, but not limited to, identification documents, prohibited devices and any other method listed as an aid in connection to the test).
- Using or having any prohibited item or device in your possession in the test center or testing room. See “Personal Items” on the previous page.
- Using any aids in connection with the test, including, without limitation, calculators (except when approved as a testing accommodation), watches, books, pamphlets, notes, unauthorized scratch paper, rulers, highlighter pens, dictionaries, translators, compasses, protractors, and any electronic, scanning, listening, recording, photographic, or wearable technology devices.
- Creating a disturbance (Disruptive behavior in any form will not be tolerated. The test administrator has sole discretion in determining what constitutes disruptive behavior.)
- Attempting to give or receive assistance (Communication in any form is not permitted during the test administration. Discussion or sharing of test content or answers during the test administration, during breaks, and after the test is prohibited.)
- Removing or attempting to remove test content from the test center (Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means [e.g., hard copy, verbally, electronically] to any person or entity.)
- Tampering with a computer.
- Attempting to remove scratch paper or a portion of scratch paper from the testing room or using scratch paper before the test, during untimed sections, or during breaks.
- Smoking or vaping in the test center or bringing food and beverages into the testing room (except when approved as a testing accommodation).
- Bringing a weapon or firearm into the test center.
- Leaving the test center vicinity during the test or during breaks without permission.
- Taking excessive or extended unscheduled breaks during the test (Test administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.)
- Failing to follow any of the test administration regulations contained in this *Registration Bulletin* (including the Rules of Test Participation), on the GACE website, given by the test administrator, or specified in any test materials.
- ETS and the GaPSC reserve the right to take any and all actions — including, but not limited to, barring you from future testing and/or withholding or canceling your scores — for failure to comply with test administration regulations or the test administrator’s directions. If your scores are canceled, they will not be reported, and your registration and test fees will not be refunded.
- Reports of cheating or fraud will be investigated thoroughly and offenders may be prosecuted to the full extent of the applicable laws. Further action may be taken, including denying, revoking, and/or suspending a teaching credential or certificate.

Compliance with Testing Rules

By registering for a GACE assessment, you are agreeing to abide by the Rules of Test Participation below and all rules and requirements specified or referenced in this *Registration Bulletin* and communicated to you, orally or in writing, at each test administration for which you have registered.

On the day of your test, a Confidentiality and Regulations Agreement will be presented to you after you sign in at the test center. It will ask you to indicate your agreement to the conditions set forth in the current *Registration Bulletin*, including the Rules of Test Participation and the rules communicated to you orally or in writing at the test administration. If you indicate that you do not accept the terms of the agreement, your test will terminate, you will not be permitted to test and you will receive no refund or credit of any kind.

Rules of Test Participation

1. Compliance: I understand that if I fail to comply with the rules and requirements specified or referenced in the current *Registration Bulletin*, including these Rules of Test Participation, and communicated to me, orally and/or in writing, at the test administration, or if I take any prohibited actions, my test results may be

Confidentiality of Information *(continued)*

voided, no refund will be issued, no portion of the testing fee can be applied toward the cost of any future testing fees, I may not be permitted to register for current or future test administrations, my registration may be canceled, I may not be allowed to test, I may be required to test under controlled conditions, and legal proceedings and actions may be pursued as well as any other remedies that the Georgia Professional Standards Commission (GaPSC) and/or ETS may deem appropriate. In addition, I understand that violation of any Rules of Test Participation may be a violation of the GaPSC's Code of Ethics for Educators and may constitute sufficient grounds to take action against, revoke, suspend and/or deny a certificate and constitute grounds for legal action.

2. Registration: I have read and agree to the "Fees for Tests and Related Services" section of the current *Registration Bulletin*. I understand that if any or all fees that are applicable to me are not paid in full for all test dates and/or tests for which I have registered, or if I do not indicate my agreement to abide by all applicable rules, I may not be permitted to register for current or future test administrations, and/or my score report may not be produced and/or my score(s) may be voided.

3. Withdrawal or Absence from Test Administration: I may withdraw from a test administration and receive a partial refund if I cancel my registration at least three full days before my scheduled testing time (not including the day of the request and the day of the test). If I cancel my registration less than three full days before my scheduled testing time, or if I am absent from the test administration, I will receive no refund or credit of any kind. See "Fees for Tests and Related Services" for refund policies.

4. Purpose of Testing: I am seeking admission to an educator preparation program and/or seeking certification in the State of Georgia. I understand that the tests are administered for the purpose of Georgia educator certification and are to be taken only by individuals who are seeking educator certification, who are applying for admission to a state-approved educator preparation program, or who are out-of-state teachers applying for Georgia educator certification. I certify that I am taking the test(s) for which I have registered for a purpose stated above.

5. Identification: I understand that I will not be admitted to the testing room if I do not have the proper identification. Identification document requirements are defined under "Identification (ID) Requirements." I understand that I will be required to provide a signature at the test site and that copies of my identification documents may be made, a digital photograph may be taken, and a video recording or other security measure may

be employed at the administration, which may be used for identity verification. Additional screenings may be required by test center administrators. If I am refused admission to the test, for any reason, I will be considered absent from the test and will receive no refund or credit of any kind.

6. Late Arrival: I understand that if I arrive after my scheduled reporting time, I may be refused admission, in which case I will be considered absent, and I will receive no refund or credit of any kind.

7. Test Administration: I authorize the test administrators to serve as my agents in maintaining a secure test administration. I agree to follow all reasonable instructions given to me either orally or in writing at or during the test administration, including but not limited to instructions to relocate me during the test. I agree not to communicate with other test takers or any unauthorized persons in any way during the test administration nor to engage in any other form of misconduct. I agree not to engage in behavior that would disrupt or unfairly affect the performance of myself or other test takers. I agree to provide a signature, to provide identification as specified above, and to cooperate with testing personnel.

If I fail to comply with these provisions, I may be dismissed from the test, my score may be voided without refund or credit of any kind, and other actions, as described in Rule 1, may be taken as deemed appropriate by the GaPSC and ETS.

8. Test Security

a. Test Property: I understand that all test materials and any portion thereof or information relating thereto (referred to below as the "Test Materials") are the sole property of the GaPSC and ETS. I understand that my responses, without the identification of my name, may be used for research, development, and implementation of testing programs, rater training, or study materials, or other purposes associated with the program. I understand and acknowledge that the Test Materials were developed at great cost and are required to be kept confidential and secure from disclosure in order to fairly and effectively perform the test functions for which they were designed. I have not received or reviewed any Test Materials prior to taking the test and no Test Materials will be available for me to review after the test. I am not permitted to take (and I will not take) any Test Materials or handwritten or printed notes (referred to below as "Notes") reflecting or recording anything about Test Materials from the testing room or to disassemble, copy, or reproduce the Test Materials in whole or in part by hand or with the use of any electronic, or other type of, device of any nature.

b. Test Materials: I understand that I will not be permitted to bring, access, or use prohibited devices or

Confidentiality of Information *(continued)*

unauthorized aids during the test. These include, but are not limited to, notes, phones, watches, electronic communication devices or any wearable technology, visual, audio recording, scanning, photographic, or listening devices, or any device with an on/off option, scratch paper, calculators (except when approved as a testing accommodation), calculator manuals, or any other unauthorized aid (collectively referred to below as “Unauthorized Aids”). Throughout the test administration, I will have nothing at my workstation but my identification documents and the pencil and scratch paper provided by the test administrator. I may use the scratch paper provided for any intermediate work I need to do to answer specific questions. However, only answers and writing samples that I record on the computer will be scored. I understand and agree that if test administrators have a reasonable suspicion that I have or may have in my possession any Test Materials, Notes, Prohibited Devices, and/or Unauthorized Aids, I will immediately turn over any such Test Materials, Notes, Prohibited Devices and/or Unauthorized Aids in my possession to the test administrators at any time upon their request. If I should fail or refuse to do so, or if the test administrators believe in good faith that I have not turned over all such Test Materials, Notes, Prohibited Devices, and/or Unauthorized Aids in my possession, the test administrators may search my personal possessions for such Test Materials, Notes, Prohibited Devices, and/or Unauthorized Aids and may remove them. Any such Test Materials, Notes, Prohibited Devices, and/or Unauthorized Aids that I may have may be retained for as long as may be required for the purpose of pursuing the remedies specified in Rule 1 above. Test administrators, ETS, and the GaPSC are not responsible for Unauthorized Aids or other prohibited materials confiscated by test administrators or otherwise turned over by me. In the event of a possible breach of test security, I agree to cooperate with the testing personnel and I hereby consent to any such reasonable search of my possessions that may occur as a result of such a search before my dismissal from the test site. Moreover, I hereby waive any claim that I might otherwise have based upon any such search or contact. I also understand that a breach of security might result in my name being reported to the GaPSC and to ETS; my score may be voided without refund or credit of any kind; and other actions, as described in Rule 1, may be taken as deemed appropriate by the GaPSC and ETS.

9. Plagiarism: ETS reserves the right to cancel the scores of test takers when, in its judgment, there is evidence that a writing or speaking response includes, for example, text that is substantially similar to speech found in other GACE responses, or quotations or

paraphrasing of language or ideas from published or unpublished sources used without attribution. Such responses do not reflect the independent speaking or compositional writing skills that the tests seek to measure.

10. Nondisclosure of Test Materials: Because of the great cost expended to develop the Test Materials, because of the obvious necessity that they be kept confidential and secure from disclosure in order to fairly and effectively perform the test functions for which they were designed, and because any disclosure of part or all of the contents of the Test Materials to anyone might render them unusable for future test administrations, I promise and agree that I will not disclose the Test Materials or any part of them (including the form, subject matter, substance, and wording of any test question or any answer thereto) to anyone for a period of ten years from the date of the test administration to which such Test Materials pertain. I understand and agree that if I should violate this agreement of nondisclosure, I may be liable in damages for costs (including redevelopment costs) incurred as a result of any breach of this agreement, and I may also be subject to other legal and equitable remedies (including injunctive relief) for any such breach. I understand that violation of any Rules of Test Participation may be a violation of the GaPSC’s Code of Ethics for Educators and may constitute sufficient grounds to take action against, revoke, suspend, and/or deny a certificate and constitute grounds for legal action.

11. Test Dismissal: I understand and agree that, after admission to the test center, I may not leave the test center, including during breaks, for any reason until I have been officially dismissed and all of my Test Materials have been collected by a test administrator. I understand that once I have completed the test, or at the end of the test administration, my Test Materials will be collected, and I will be dismissed. Once dismissed, I must leave the test center and I will not be readmitted.

12. Test Score Reporting and Cancellation: I understand that my test score(s) will be reported to me; to the GaPSC; to the educator preparation program provider or employing agency indicated during registration; and to any provider, entity or person authorized or required by law, inclusive of the GaPSC’s compliance with applicable Open Records Requests, to receive this information. Unless I cancel my scores at the end of the test, my scores will be reported. I understand that any information provided as a part of registration may be used to report scores or to contact me regarding test- or program-related issues.

Confidentiality of Information (continued)

13. Voided Score: I understand that if I fail to comply with the rules and requirements set forth in the current *Registration Bulletin*, including these Rules of Test Participation, and communicated to me, orally and/or in writing, at the test administration, or if doubts are raised about the validity or legitimacy of my registration or my score(s), ETS will notify the GaPSC and other parties as deemed appropriate. The GaPSC and ETS reserve the right to void my test score(s) if, in their sole opinion, there is adequate reason to question its validity or legitimacy due to circumstances within or beyond my control. Other actions, as described in Rule 1, may be taken as deemed appropriate by the GaPSC and/or ETS.

14. Rights and Obligations Regarding Test Administration:

I understand and agree that liability for test administration activities, including but not limited to the adequacy or accuracy of Test Materials and equipment, the adequacy or accuracy of the registration and administration processes or conditions, the adequacy of test site facilities, the adequacy or accuracy of score reports, the adequacy or accuracy of scoring, the adequacy or accuracy of information provided to me in connection with the GACE program and the adequacy of protection of test taker information, will be limited to score correction or test retake at no additional fee. I waive any and all rights to all other claims, specifically including but not limited to claims for negligence arising out of any acts or omissions of the GaPSC and ETS (including the employees, agents, contractors or professional advisors of the GaPSC and ETS).

15. Program Changes: I understand that the testing program is subject to change at the sole discretion of the GaPSC.

16. Rules: I understand that should any of these rules or any other requirement or provision contained in the current bulletin be declared or determined by any court to be illegal or invalid, the remaining rules, requirements and provisions will not be affected and the illegal or invalid rule, requirement or provision shall not be deemed a part of the current bulletin. The headings of each of the Rules of Test Participation are for convenient reference only. They are not a part of the rules themselves; they do not necessarily reflect the entire subject matter of each rule; and they are not intended to be used for the purpose of modifying, interpreting or construing any of these Rules of Test Participation. I agree that any legal action arising in connection with my registration for or participation in a test administration shall be brought in the state and federal courts governing Princeton, New Jersey, and I consent to the personal jurisdiction of such courts.

16. Liability: ETS, including its subcontractors, shall not be liable to test takers, schools, school districts, colleges, universities, state agencies, other score users, or anyone else making claims by or through them for any damages, except as indicated in this *Registration Bulletin*. These damages which ETS and its subcontractors will not be liable for include, but are not limited to: direct, indirect, special, incidental, consequential, exemplary, or punitive damages, which are caused by, arising from, or otherwise related to the failure of the test center or test administration personnel, test takers, or school personnel. Any failure of such persons to comply with ETS's and its subcontractors' test security and test administration policies and procedures, whether or not ETS has been advised of the possibility of such damages, will not incur liability in any part by ETS.

Canceling Scores

At the end of a test, you are given the option of reporting or canceling your scores.

If you choose to have your scores reported, they will become part of your record and will be reported to you, to the GaPSC, your program provider (if applicable), and any other score recipients you designated. Once you choose to report your scores, they cannot be canceled.

You will not receive a refund if you cancel your scores.

Absence from a Test

If you are absent from a test administration, you will forfeit your test fee.

Cancellation of a Test Administration

In the event it becomes necessary or desirable for ETS or the GaPSC to cancel a test administration for reasons beyond its control, including without limitation, severe weather conditions, natural disaster (e.g., flood, fire), terrorist acts, acts of vandalism, hazardous conditions at the test center, or some other event, a cancellation announcement will be posted as soon as possible on the GACE website at www.gace.ets.org. The cancellation announcement will also be available as a recorded phone message at 1-855-225-7178 (United States, U.S. Virgin Islands, Puerto Rico, and Canada) and 1-609-359-5161 (all other locations). You will be contacted by ETS via email or phone to reschedule your test. Fees that you submitted will be transferred to the new test date. It is imperative that you keep the contact information, especially your phone number and email address, in your

Confidentiality of Information *(continued)*

MyPSC account on the GaPSC website up-to-date so you can be contacted quickly if the need arises.

Unless ETS or the GaPSC cancels a test administration at a given test center, the test administration will be conducted as scheduled, barring circumstances preventing prior notification of cancellation (e.g., natural disaster, terrorist acts). If you miss a test administration that has not been officially canceled, you will be considered absent and will not receive a refund or credit of any kind.

Reporting Suspicious Behavior

ETS takes test security very seriously. Although GACE tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible after the test to report any irregular behavior that is either observed or reported to you — for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence. Reports of cheating or fraud will be investigated thoroughly and offenders may be prosecuted to the full extent of the law.

Scores Reported

All GACE test results, with the exception of the Georgia Educator Ethics, Georgia Ethics for Educational Leadership, and the Teacher Leadership assessments, are reported as scaled scores on a scale of 100 to 300.

Your total test scaled score shows how you performed on the test as a whole and whether or not you passed the test. Total scaled scores allow for comparison of scores across different versions of the same test.

Minimum passing standards and scores for the tests were established by GaPSC with input from committees of Georgia educators.

NOTE: Your test may include some questions that do not count toward your score. These questions are new test questions that are being piloted in actual test administrations in order to collect information about how they will perform under actual testing conditions.

For more information about your scores, you may download Understanding Your GACE® Scores from the GACE website at www.gace.ets.org.

Remember that some assessments contain more than one test. You must pass all of the tests in an assessment or pass the combined version of the test.

Content Assessments

A passing score for any GACE content assessment can fall into one of two categories:

- 220 – passing at the induction level
- 250 – passing at the professional level

At this time, passing at either of these levels meets the Georgia Special Requirement to pass the content knowledge assessment(s) appropriate to the field of certification.

If you take a combined test and pass one subtest at the induction level and the other at the professional level, the entire assessment will only be considered passed at the induction level.

ASLPI

The ASLPI is assigned ratings of 0 to 5, with 5 being the highest score. These ratings are then converted to the GACE score scale of 100 to 300, with an Induction passing score of 3 (GACE scale score 220) and a Professional passing score of 3+ (GACE scale score 250).

Confidentiality of Information *(continued)*

Certificate Upgrade Assessments (Curriculum and Instruction and Instructional Technology)

The certificate upgrade assessments do not have tiered passing standards.

The passing score for the Curriculum and Instruction and Instructional Technology assessments is 250.

Educational Leadership Assessment

This assessment does not have a tiered passing standard.

The passing score for the Educational Leadership assessment is 250.

Georgia Ethics Assessments

The Georgia Ethics assessments are reported as “Passed” or “Not Passed.”

Once you have successfully passed the assessment, you will be able to print a certificate that indicates your status.

Paraprofessional Assessments

The Paraprofessional assessments is considered entry-level assessments and does not have tiered passing standards.

The passing score for the Paraprofessional assessment is 250.

Teacher Leadership Assessment

Each task is broken down into three steps, and each step in the assessment is scored based on a 4-point rubric that delegates scores based on how well you encompassed all of the required Georgia Teacher Leadership Standards in your submission. Steps are rated on a scale of 1 to 4, with 4 being the highest possible score. If a step is unable to be scored for any reason, it is scored as Nonscorable and treated as 0.

Each step in the assessment is scored by two raters, and the individual step scores are the average of the two ratings. The task score is the sum of the underlying step scores. The task scores are then summed into a total composite score. The possible score range for each task is 0–12, and the total number of points that can be earned in the assessment is 72.

Your score report will include a score for each step within the task with feedback, the total score for each task, and a composite score of all six tasks and their steps.

Unofficial Scores

At the conclusion of your test, you will be able to view unofficial scores if your test consists only of selected-response questions, and you choose to report your scores. Unofficial scores are not available for tests that include constructed-response assignments. These are scored during a scoring session held immediately after the testing window. This unofficial score report is only

available at the end of your test. It cannot be accessed through your GACE testing account.

If a score is reported as NS (No Score), further analysis must be done before scoring can be completed. It does not indicate a problem with your test and will not delay reporting of your scores. Unofficial test results are not acceptable substitutes for an official score report.

Getting Your Scores

With the exception of the Georgia Ethics, Paraprofessional, and Teacher Leadership assessments, all score reports will be available via your testing account on the ETS GACE website. Scores for the Georgia Ethics and Teacher Leadership assessments will be available via their respective registration systems. Paper score reports are issued for Paraprofessional.

Score reports provide information about your passing status and other performance information. Also provided is an explanation of how to read your score report. (See “Scores Reported” on *page 51* for information on the passing requirements for GACE tests.)

Score reports are typically posted between 2–6 p.m. ET on the score reporting date. See “Score Reporting Dates” on *page 52*.

Your scores are made available to you, to the GaPSC, to your program provider (if applicable), and any other score recipients you designate. See “Choosing Score Recipients” on *page 24*.

It is suggested that you print a copy of your online score report for your permanent records.

Under no circumstances will ETS or GaPSC release your score information by phone, fax, email, or in person. Note that any time you ask to have scores for an assessment sent to a recipient, all scores for that assessment are included in the report.

NOTE: Application for certification does not proceed automatically based upon receipt of your scores by the GaPSC. To apply for certification, you must go to the GaPSC website at www.gapsc.com and follow the application for certification instructions.

Canceling Your Scores

Cancellation of Test Scores by You

At the end of a test, you are given the option of reporting or canceling your scores.

If you choose to have your scores reported, they will become part of your record and will be reported to you, to the GaPSC, your program provider (if applicable), and any other score recipients you designated. Once you choose to report your scores, they cannot be canceled.

If you choose to cancel your scores, they will not be reported and they cannot be reinstated. You will not receive a refund if you cancel your scores.

If you would like to retake the test after canceling your scores, you must wait at least 30 days (28 days for the Paraprofessional assessment). See “Test Retake Policy” on page 36.

Cancellation of Test Scores by ETS and the GaPSC

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS’s standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities and preventing any test takers from gaining an unfair advantage over others.

To promote these objectives, ETS and the GaPSC reserve the right to cancel any test score when, in ETS or the GaPSC’s judgment, a testing irregularity occurs; there is an apparent discrepancy in a test taker’s identification; the test taker engages in misconduct or plagiarism, copying, or communication occurs or the score is invalid for another reason. In addition, if ETS or the GaPSC has information that they consider sufficient to indicate that a test taker has engaged in any activity that affects score validity, such as having someone other than the test taker take the test, obtaining test questions or answers via the internet, email, SMS, text messaging or postings, disclosing any test question or answer in chat rooms, message boards or forums, SMS, or text message, it will result in score cancellation and/or any other action ETS deems appropriate, including banning from future ETS tests and prosecution to the full extent of the law. You must agree to these terms and conditions when you register for the test and on test day.

When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled.

Confidentiality of Information *(continued)*

Further action may be taken, including denying, revoking, and/or suspending a teaching credential or certificate. Other actions, as described in “Dismissal from a Test Center” may be taken as deemed appropriate by the GaPSC and/or ETS.

Testing Irregularities

“Testing irregularities” refers to problems with the administration of a test. Testing irregularities may result from actions of test takers, test center administrators, ETS, or natural or man-made causes. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials [e.g., improper test forms] and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test or cancel the test score at the GaPSC’s discretion. When, in the GaPSC’s sole judgment, it is appropriate to do so, test takers will be given the opportunity to take the test again as soon as reasonably possible without charge.

Identification Discrepancies

When, in ETS’s judgment or the judgment of test center administrators or at-home proctors, there is a discrepancy in a test taker’s identification, the test taker’s test may be terminated and the test taker may be dismissed from testing. In addition, ETS may decline to score that test or may hold or cancel the test scores if the photos and documents or biometric samples from test day cannot be validated, or if ETS has evidence that the test taker did not appear for the test. If test scores are cancelled by ETS, the test fees will NOT be refunded. ETS may also ban the test taker from taking any future ETS tests, and notify score recipients of the cancellation if fraudulent activity is detected after scores have been reported. If scores are canceled, test fees are forfeited.

Misconduct

When ETS or a test administrator find that there is misconduct in connection with a test, the test taker may be dismissed from the test center. ETS may also decline to score the test, withhold and ultimately cancel the test score, or may ban the test taker from taking any future ETS tests. If scores are canceled, test fees are forfeited. Misconduct includes, but is not limited to, noncompliance with the “Test Center Procedures and Regulations,” on pages 43–46 of this *Registration Bulletin*.

Essay Similarity Detection

If you are taking the Teacher Leadership assessment, each entry in your portfolio, whether submitted during the original submission window or during the resubmission window, must be entirely your work. Software is utilized to scan all responses for overlap with previous submissions, other test takers’ submissions or published sources, including the Library of Examples. Paragraphs or even sections of paragraphs that are substantially similar will be construed as overlap. If such overlap is detected, a review by the ETS Office of Testing Integrity (OTI) will be initiated. If your task response is the subject of a review, the following steps will occur:

- Your scores will be placed on hold.
- You will be informed that your task response is under review, and you will be provided the opportunity to submit additional information to OTI to support your case and address ETS’s concerns.
- All materials will be independently reviewed, and an assessment of the case will be provided to decide if there is substantial evidence to support the recommendation of cancellation of your scores.
- If it is concluded that your scores should be released, the hold on your scores will be removed and you will be able to view your score report online.
- If it is concluded that there is substantial evidence to support cancellation of your scores, ETS will inform the GaPSC of the recommendation to cancel your scores. Based on the information ETS provides, GaPSC will review your case and make the final decision on the cancellation of your scores.
- If there is substantial evidence to support cancellation of your scores, this may be a violation of the GaPSC’s Code of Ethics for Educators and may constitute sufficient grounds to take action against, revoke, suspend and/or deny a certificate and constitute grounds for legal action.
- ETS will contact you upon receiving a decision on your case from GaPSC.

Confidentiality of Information *(continued)*

Plagiarism

ETS reserves the right to cancel the scores of test takers when, in its judgment, there is evidence that a writing or speaking response, or a task submission, includes text that is substantially similar to that found in one or more other GACE responses, or quotations or paraphrasing of language or ideas from published or unpublished sources including sources from the Internet, sources provided by any third party, or the Teacher Leadership Library of Examples used without attribution. Such responses do not reflect the independent speaking or compositional writing skills that the tests seek to measure.

Invalid Scores

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Substantial evidence means evidence that is sufficient to persuade a reasonable person. The substantial evidence standard is lower (i.e., requires less proof) than a reasonable doubt, clear and convincing, and preponderance of the evidence standards. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns and inconsistent performance on different parts of the test. Score cancellation decisions are not subject to appeal to ETS. For test takers within the United States, before canceling scores based on substantial evidence of invalidity, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted, and may offer the test taker a choice of options. The options may include voluntary score cancellation, a free retest, or allowing the GaPSC to make a decision whether to accept the scores. The final decision whether to cancel scores based on substantial evidence of invalidity is made by ETS's Office of Testing Integrity after reviewing any information addressing ETS's concerns submitted by the test taker. **NOTE: These options are not offered for GACE performance and portfolio assessments (i.e., American Sign Language Proficiency Interview and Teacher Leadership). ETS will provide information on the review process for these assessments to assist you in resolving questions regarding the validity of your assessment.**

Delay of Test Scores

Under some circumstances, scores may be delayed.

- Problems with registration, failure to comply with the policies and procedures set forth in this *Registration Bulletin*, and/or with instructions given by the test administrator
- Problems with payment (see “Test Fees” on pages 34–35 for more information)
- Standard setting for newly developed or substantially revised assessments
- Score reporting date falls on a Friday ETS holiday (scores are reported on the following Tuesday)
- Testing on or near the last day of some testing windows
- Your scores may be permanently voided if you are completing certification requirements and you have not provided proof that you have approval to test. (See “Eligibility” on page 21 for more information.)

Privacy

The GaPSC and ETS take the privacy of our test takers seriously and recognize your right to control the information about you that is stored by them. Their policies are designed to safeguard that information from unauthorized disclosure.

Because of laws protecting confidentiality and privacy, only you can register yourself for a test or make inquiries regarding your registration or test scores.

ETS takes reasonable precautions to protect the integrity of your personal information provided in connection with the registration process, as well as any information generated internally that is specifically pertinent to you, and to keep this information secure.

Your private information will not be made available to anyone but you; ETS and the GaPSC (including the employees, agents, contractors, or professional advisors of ETS and the GaPSC); the educator preparation program providers or employing agencies you indicate in your registration; and any educator preparation program provider, entity, or person required or authorized by law to receive this information.

At the Test Center

You must show the required identification documents to be admitted to test and your photograph may also be taken. See “Identification (ID) Requirements” on pages 39–42.

Confidentiality of Information *(continued)*

Consent

Notwithstanding anything to the contrary in any other ETS or ETS affiliate's ("ETS," "we," "us," "our") materials or agreements with you, you consent to the terms and conditions herein by registering for or taking an ETS test, creating an online account or using our website, providing survey information or requesting one of our services, or completing order or payment information.

You agree that we have the right to obtain, store, use, and transmit your personal information including, full name, home address, email address, telephone number, Social Security number, passport number, biometric data such as fingerprints, audio recordings and video files, and your answers to other background information questions, the test you are registering for, test date, payment information, how you specifically use our website ("Personal Information").

Purpose and Use of Personal Information and Photographs

Your personal information can be used to:

- Complete any registration, purchases, or other transactions you request
- Improve our products and services, and identify, develop, and offer new or expanded products and services
- Improve and personalize your experience on the website, and customize the content and/or format of the pages you visit
- Subject to your opting-in, notify you about updates, products, services, and/or special offers from ETS, its affiliates and selected third parties
- Ask you to participate in brief surveys or provide other information
- Generate aggregate statistical studies and conduct research ourselves or jointly with others related to our products and services and the use of our website

Based upon your specific relationship(s) with us, we may use your Personal Information in ways described in more detail in one or more other agreements.

Additionally, you consent to the transfer of your Personal Information within and outside of your country of residence and outside of the location where you have taken the test(s).

We disclose your Personal Information to certain third parties with whom we have a direct or indirect business or contract relationship, to provide the products and services you have requested.

You will have the ability to opt out of receiving certain communications from us, including voicemail or email. If you do not opt out immediately, but later decide that you would prefer not to receive email communications from us, please contact that particular testing program through www.ets.org. Remember, however, that we may still send email or call you in order to provide a product or service that you request.

Disclosure

Your personal information may be disclosed to those third parties that provide services to ETS and the GaPSC, provided that they have contractually agreed to only use the personal information as needed to provide the services.

By electing to report your scores at the end of your test, you are authorizing ETS and the GaPSC to report your scores to you; to the GaPSC; to your educator preparation program provider (if applicable); and to any provider, entity or person authorized or required by law, inclusive of the GaPSC's compliance with applicable Open Records Requests, to receive this information.

Unless you cancel your scores at the end of the test, your scores will be reported. Any information you provided as a part of registration may be used to report your scores or to contact you regarding test- or program-related issues.

Security and Retention

ETS, the GaPSC, and their service providers shall at all times protect your personal information with operational, administrative, technical, and physical security safeguards.

ETS shall retain your scores for 50 years from the test date.

Individual Rights

You may at any time:

- request access to and correction of your personal information
- make any inquiries, requests, or complaints in relation to the use of your personal information
- withdraw your consent to the processing of your personal data; however, if you exercise this right, you may not be allowed to take any further tests and your scores may be canceled

Requests, inquiries, or complaints should be directed to ETS-GACE. See "Contact Information" on *pages 15–16*.

Confidentiality of Information *(continued)*

Score Information

Your score information is intended only for you, the GaPSC, your program provider (if applicable), and your designated score recipients.

ETS will not release your score information at the request of institutions or agencies except:

- for use in research studies, scoring, and statistical analyses approved by the GaPSC and that preserve your anonymity
- when information is required under compulsion of legal processes, in which case your score record and the documents (including, but not limited to, photos and documents completed at check-in on test day) that are retained at ETS may be released to third parties, e.g., government agencies, parties to a lawsuit, etc., if requested pursuant to a subpoena or required by applicable laws
- Sections 205 through 208 of Title II of the *Higher Education Act (HEA)*, as amended in 2008, require all states that require testing for licensure to provide that agency with annual performance data for students completing their state-approved teacher preparation programs. If you are enrolled in a Georgia preparation program in a given cohort year, your preparing institution will collect and forward your score information to the state for inclusion in the federally mandated educator preparation performance report. The report will contain aggregate data only and will not include any information that identifies test takers.

Note that whenever ETS has confirmed that you have submitted a GACE score directly to an educational institution, agency, or district in satisfaction of one of its requirements, ETS will respond to requests for score verification from that recipient.

Responses may be used for training raters and in new test preparation materials. Test taker information, such as names and addresses, is not included when scored responses are used for these purposes. Rater training is essential to ensure that tests are scored in a fair and consistent manner. The use of your responses will benefit future test takers by helping to improve the training of raters, just as the scoring of your test will benefit from the use of prior test takers' responses. Test preparation materials demonstrate how the test is administered and the skills that are necessary to succeed.
