

GACE® Teacher Leadership Assessment

Task 4 — Standardized Reflection Form

To the observed colleague: Your colleague is providing evidence of his/her skills as a teacher leader. Please answer the following questions by providing a statement reflecting your experience(s) that demonstrate how your colleague's expertise helped advance your professional skills and the use of data to improve the quality of your instruction. Your response can be single-spaced, but please limit it to one page.

To the candidate: Link a completed copy of this form to Textbox 4.3.1.

1. How did the observation process affect the quality of your instruction?

2. In what way was the selection and use of the assessment tools a result of your collaboration with the teacher leader?

3. How will the feedback you received influence your future planning for curriculum, instruction, and assessment?
