What are the GACE® assessments?

The Georgia Assessments for the Certification of Educators® (GACE®) is Georgia's state-approved educator certification assessment program. The purpose of the GACE assessments is to help the Georgia Professional Standards Commission (GaPSC) ensure that candidates have the knowledge and skills needed to perform the job of an educator in Georgia's public schools.

Who takes the GACE assessments and why?

The GACE assessments are taken by individuals seeking admission to an educator preparation program and/or seeking educator certification in the state of Georgia.

Eligibility

If you are enrolled in or are seeking admission to a Georgia state-approved educator preparation program, you must be approved to test by your program provider in order to take a GACE assessment for Georgia certification. If you have a different reason for testing, the Georgia Professional Standards Commission (GaPSC) will provide approval to test through your MyPSC account on the GaPSC website. See the GACE *Registration Bulletin* or the GACE website at www.gace.ets.org/teacher_leadership for more information about creating your MyPSC account and requesting or confirming your eligibility.

How do I register?

Once you have confirmed your eligibility and testing requirements, you can register through your ETS GACE testing account for all assessments except the American Sign Language Proficiency Interview (ASLPI), and the Georgia Ethics, Paraprofessional, and Teacher Leadership assessments. Visit www.gace.ets.org/mygace.

ASLPI: Registration for ASLPI can only be done by phone. Call **1-855-225-7178** (U.S., U.S. Virgin Islands, Puerto Rico, and Canada), **1-609-359-5161** (all other locations), Monday–Friday from 8 a.m. to 5 p.m. ET, excluding holidays.

Georgia Ethics Assessments: Registration for the Georgia Educator Ethics assessment and the Georgia Ethics for Educational Leadership assessment is done through the online Georgia Ethics system. **NOTE:** This is not the same registration system used for other GACE assessments. See the Georgia Ethics Assessments section of the GACE website at www.gace.ets.org/ethics for specific information about how to register for these assessments.

Paraprofessional: The GACE Paraprofessional assessment is given at participating school districts, most Regional Education Service Agencies (RESAs), and other agencies. You do not have to pre-register with ETS to take this assessment, you do not need a MyPSC account, and you do not need approval to test. A list of the currently participating Paraprofessional assessment test sites is available in the Paraprofessional section of the GACE website at www.gace.ets.org/paraprofessional/test_takers/register. Contact your district's administrative office, RESA, or agency for availability in your area. The GACE Paraprofessional assessment is also given at Prometric test centers and at home via remote proctor. To register, please visit Prometric's website at <https://www.prometric.com/gaceparaprofessional>

Teacher Leadership: Registration for the Teacher Leadership assessment is done through the online Teacher Leadership system. **NOTE:** This is not the same registration system used for other GACE assessments. See the Teacher Leadership Assessment section of the GACE website at www.gace.ets.org/teacher_leadership for specific information about how to register for this assessment.

How are the tests administered?

All tests are computer-delivered with the exception of ASLPI which is performance-based.

What if I need disability accommodations?

- ▶ The *Bulletin Supplement for Test Takers with Disabilities or Health-Related Needs* contains guidelines, contact information, procedures for requesting testing accommodations, and registration forms.
- ▶ Further information and the *Supplement* are available in the “Disability Accommodations” section of the ETS GACE website at www.gace.ets.org.

What should I know about ID requirements?

Valid and acceptable identification with your **name**, **signature**, and **photograph** is required for admission to a test. ID requirements are strictly enforced. Further information and a list of acceptable ID documents are available in the current *Registration Bulletin* and on the ETS GACE website at www.gace.ets.org/test_day/id.

What security measures are taken at test centers?

ID verification may include photo identification, fingerprinting, video surveillance, and signature comparison. At some centers, the use of electronic detection scanning devices has also been implemented. These verification methods are in addition to the requirement that you present valid and acceptable ID documents. Failure to comply with these security measures may result in dismissal from the test and forfeiture of your test fees.

How do I change or cancel a test registration?

For most GACE assessments, requests to change your test center, test date, or reporting time can be made through your ETS GACE testing account at www.gace.ets.org/mygace. For the Paraprofessional assessment, contact the test site where you are scheduled to test. For ASLPI, contact Gallaudet. Changes for the Georgia Ethics and Teacher Leadership assessments can be made through their respective online systems.

Where can I find test preparation materials?

There are free test preparation materials available on the GACE website, including Study Companions and Tests at a Glance, that familiarize you with the GACE assessments. There is also a video of a test center tour and an interactive demonstration of how to navigate through a GACE assessment. Interactive practice tests can be purchased in the ETS Store for most test titles. Tutorials and live and prerecorded webinars are also available. Visit the “Test Preparation Resources” section of the GACE website at www.gace.ets.org/prepare.

When will my scores be available?

Score reporting dates are available in the Registration Bulletin and on the GACE website at www.gace.ets.org/scores/get.
